Honoured Sir,

I respectfully beg to request the favour of your honor kindly recommending me to the Chief Engineer with a view to my being able to get a permanent appointment in the Department after the completion of the works here.

I have been employed both here and at Thekady as clerk and storekeeper almost since the commencement of the Project and I have been doing my work to the entire satisfaction of the several Officers under whom I have served.

Your honor had been so far pleased to take up the cause of the clerks here that all of them stand a chance of getting permanent appointments and so I beg to state that having served here since 1888 and undergone all the hardships I am entitled to equal consideration with them with them

As I have served directly under your honors as a clerk I need hardly say that I am competent for a clerks place.

I am at present exempted both for a clerk and storekeeper for employment in the Project on a monthly salary of not more than Rs 60/- I beg that I may be so far exempted from Examination rules as to be qualified for employement elsewhere.

I beg to remain
Honoured Sir
Your honors most obedient servant
Varada Raju
Storekeeper

Returned for applicant to state what Examinations he has passed & what he has appeared for & failed to pass.

To

Enclosure one

The Chief Engineer,
Public Works Department,
Madras.

Sir,

I have the honor to bring to your notice the case of C. Varadarájulu Mudeliár, Storekeeper in this Division, who has petitioned me to recommend him for exemption from the examinations necessary for permanent clerical employment with a view to his obtaining an appointment elsewhere on completion of the Periyár works.

2. He has passed no examinations and his only claim to be treated as an exception is that he has done 7 years service in this Division. This has of course given him considerable experience in clerical work but how far it should

be

be considered a substitute for the prescribed examinations as a door to Government employment, I leave it with you to decide. There are two or three other similar cases in this Division, but this is the only one that I propose to bring to your notice, since his service has not only been longer than the others but it has been exceptionally good, and unlike them the man is much above the standard of intelligence exhibited by the majority of passed men.

3. I enclose the Storekeeper's petition to me as a specimen of his ordinary handwriting and composition.

4. I further leave it to you to decide whether, if exempted, you will entitle him to the benefit of your Memo No. 402C of 2nd February 1895.

I have the honor to be,
Sir,
Your most obedient Servant,
