No. 37.

**City Police Office.**

Madras, 9th May 1895

From Colonel H. M. H. Cox
THE COMMISSIONER OF POLICE,
MADRAS,

To The Chief Secretary to Government
With the Governor
Stonehouse Hill

Sir,

I have the honour to inform you that Mr J. M. Berlie was by G. O. No. 558 dated 26th July 1892, Educational, permitted by Government to appear for the Criminal Lower Test, which he passed in February 1893 and as directed by G. O. No. 189 dated 14th March 1893, Educational, his name was registered for employment as a Sub. Inspector in the Madras City Police.

2 — Mr Berlie was entertained on 1st April 1894 and is now a Second class Sub-Inspector. Since joining

this Department he has also passed the Vernacular Test with Reward and the Departmental Test: Part II.

3 — He is now anxious to appear for the ensuing Precis-writing Test as by passing it he will be eligible for the post of an Inspector. He has given satisfaction during his short service and is likely to prove a good Police Officer. I therefore request that Government will be pleased to accord him the privilege of appearing for the Precis-writing Test.

4 — I have the honour to request that Government will be pleased to allow all probationary Inspectors and Sub-Inspectors of the City Police who have passed the Criminal Judicial Test, Lower Grade under the concessions already granted ~~may~~ be ~~allowed~~ to appear for the Precis-writing Test.

5 — According to Schedule B attached to Public Service Notification published in Part II, Fort Saint George Gazette dated 5th February 1895 "Criminal Lower" and the "Departmental Test" qualify a man for the post of Inspector of Police but the Schedule published in page 58 shows that the Precis-writing Test has also to be passed.

6 — It is hard to shut out from this Test qualifying for promotion men, who entered the Force before these restrictions were made and who have passed the examination hitherto considered sufficient.

I have the honour to be
Sir
Your most obedient Servant

Colonel

Note for Under Secretary.

I beg to request that the following sentences may be added at the end of my note on Ed. Current no. 592 sent yesterday (a letter from the Commissioner of Police Madras, requesting that certain persons may be permitted to appear for the Precis-Writing Test):—

"The Commissioner has not stated when the Probationary Inspectors referred to were appointed. If after 1st July 1894, he ~~[illegible]~~ should be required to explain how they happened to be appointed when they had not passed the Precis-Writing Test."

My note was first written on a different line, but subsequently, when I recopied it, the above sentences were omitted by an oversight.
