THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

In reply to endorsement, No. 961, dated 3rd instant, I have the honour to state that I do not consider the University School Final Examination of Bombay to be equal to the Matriculation or Upper Secondary Examination of this Presidency.

2. The examination consists of three compulsory and two optional subjects, the compulsory subjects being English, Another language, and Arithmetic. The three examinations may be compared thus.

Upper Secondary	Matriculation	Bombay School Final
1. English	English	English
2. Second Language	Second Language	Another Language
3 Mathematics { Arithmetic Algebra Geometry.	Mathematics { Arithmetic Algebra Geometry	Arithmetic
4. History and Geography	History and Geography	Optional Subject
5. A Technical Subject	Physics and Chemistry	Optional Subject.

3. Apparently the candidate in question took as his optional subjects Mathematics (Algebra and Geometry) and Kanarese. He has not, therefore, passed in anything but in three languages and Mathematics. Moreover I do not think the examination is so searching as the Matriculation and Upper Secondary.

I have the honour to be

FOR ORDERS.

The Ex.-Engineer, Bellary requests that the University School Final Examination of the Bombay University may be recognised as equivalent to the Upper Secondary Examination under Article 2 of the Public Service notification. The examination is described in para 99 of Mr. Nash's report on Education in India. It has been adopted by the Govt of Bombay as a test of the eligibility of candidates for admis into the Lower grades of the Public Service; its standard is, however, not known.

Perhaps it will be sufficient for the present to exempt N. Venkata Rao, who has passed the University School Final Examn., from the Upper Secondary Examination?
