Honble Sir

I most respectfully beg to submit that I am the Translator of the District and Sessions Court of Trichinopoly and that I have put in about 10 years' Service.

Being but a Matriculate, I am precluded from appearing for the Criminal Judicial Test Higher or Lower. Therefore I am debarred from qualifying myself to hold any higher appointment.

The testimonials (copies enclosed) which the Judges under whom I had the good fortune to serve have given me show the quality and

and quantity of work done by me.

I therefore most respectfully beg that the Government may be pleased to exempt me from the Examination rules and to permit me to appear for the Criminal Judicial Test Lower without passing the F. A. or the Upper Secondary Exn.

For this act of charity, I shall, as in duty bound, ever pray.

I beg to remain
Honble Sir,
Your most obedient and humble servant.

1

I knew S. Rama Row at Cuddalore where he was a pupil in the Govt. College during the year and a half that I was at the head of that institution. He is very intelligent, I think, and speaks and writes English very fairly indeed. He has passed the Matriculation examination and also the Precis and Handwriting tests. His qualifications will make him very useful I think in any office in which he may be entertained.

I have known S. Rama Row for ~~the~~ last one year. He was one of those who were expected to pass the F. A. Examination last year, but unfortunately he failed. He possesses

possesses a fair knowledge of English and as regards his conduct I am happy to say it has always been satisfactory.

3.

I have known S. Rama Row as a Student in the Senior F.A class of the Government College, Cuddalore for nearly five months. From the painstaking, thorough and systematic way in which he did his work in class, I had great hopes that if he appeared for the F.A examination this year, he would have come off successful. But at the last moment a severe inflammation of the eyes made it impossible for him to attend the examination.

He has however a mastery of English which would be rare in an Undergraduate and his knowledge of the other subjects required

required for the F.A, is so far as I can judge, thoroughly sound.

He has very good manners and his conduct, so far as I have been able to judge, has been good.

I do hereby certify that S. Rama Row now a clerk in the District Court of Trichinopoly, acted as 3rd Clerk of this office from 14th April to 31st May 1884 and gave me satisfaction in the discharge of his duties. He was found intelligent, active and anxious to improve.

My dear Sir,

The bearer S Rama Row wishes

wishes to be introduced to you. He being son of a late Deputy Collector Mr Vencatasubbiah who has done good service to Government, I think we must take some interest in him (bearer) and bring him forward. The recent orders probably stand in the way of your making him a formal Volunteer in the Collector's office but he may be remembered when a vacancy occurs. He is likely to prove a really useful Clerk, judging from what I have seen of him during the short time he was here.

Yours sincerely

Sir,

With reference to your memo- ×Recd. on 6th No. 2931 of 3rd Instant, asking for an explanation of the delay in submitting the Civil Returns for the 2nd Quarter, I have the honor to state that the Court reopened on the 10th July and was continuously engaged in Sessions till almost the end of August, and during most of that time, the Clerk× who attends to the returns was engaged in interpreting and after that was over, he had to bring up the arrears of petition work &c.

S. Rama Row has been 2d Clerk (and latterly Acting Translator) for about sixteen months in all under me

If he goes on as he has begun, he ought, I think to rise considerably higher in the service. He has my best wishes for his promotion.

Sir,

I have the honor to forwar herewith an application from the Translator of my Court, for the favorable Consideration of the Government.

2. The general intelligence and knowledge of English of this applica are much above average. It seems to me rather hard to tell an officer of his standing 'You must either remain ~~stick~~ for ever on Rs 75 or go to school again and read with boys'.

From

From what I have seen of his work, I consider him quite fit for further promotion when the time comes. He does not ask exemption from a professional examination but from a general one, of no use to this department except as to some extent, indicating that the man who has passed it possesses a modicum of intelligence and application, on both of which points I am already satisfied as to the applicant.

3. I, therefore, have the honor to recommend that petitioner may be allowed to appear for the Criminal Judicial Lower without passing his F.A. or the Upper Secondary examination.

Mr. Siddhans opinion is not worth much and Mr. Bradford's is not of much greater value. It is based on an experience of less than three months. I submit that exceptions to rules should be rare and made only under very special circumstances which in this case do not seem to exist.
