OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 29th April 1895

No. 5089

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

In his letter to Government, No. 1894, dated, 6th March 1894, Mr Monro brought to the notice of Government the difficulties in filling up vacancies in this Department permanently, pending the reorganization of the Superior and the Subordinate services, and the position was accepted by Government in its order, dated, 23rd April 1894, No. 268, Edl. Thus several offices, which, but for the consideration of the lower Subordinates scheme, would have been filled up permanently, have been held sub. pro. tem. only, and the officers holding them have been treated as holding such appointments provisionally, i.e., substantively for the time-being, so that their acting allowances, when promoted temporarily

temporarily to higher appointments, or their absentee allowances while on leave, may be regulated with reference to the appointments they hold provisionally instead of their nominal permanent appointments. But in passing the pay bills of this office establishment for the last months, the Accountant General informed me that the officers answering to the above description should, in order to be admitted to the privileges of substantive officers, be declared by the Local Government as holding their respective sub. pro. tem. appointments provisionally under article 109 of the Civil Service Regulations (2nd edition).

I, therefore, beg to request that all officers, whose confirmation in the particular posts, which they hold sub. pro. tem., is delayed pending the introduction of the Lower Subordinate scheme may be declared by the Government as having filled up those appointments substantively. I apply for this general sanction as I do not wish to make frequent references to Government. The favour of very early orders on this letter is solicited.

I have the honour to be,
Sir,
your most obedient servant
D Duncan
Director of Public Instruction.

FOR ORDERS.

With his letter no. 1089 2 of 27th September 1893 Dr Duncan submitted a scheme for the reorganization of the 'Subordinate Service' of the Educational dept. but the scheme was ordered to lie over pending final orders on the scheme for the reorganization of the 'Superior Service'; and in G.O. of 20.12.93 no. 926 Ed. the Director was requested to report why all the vacancies in the department should not be filled up permanently. Mr. Monro in his letter no. 1894 of 6th March 94, pointed out that such a step will frustrate the main object of the scheme submitted by Dr Duncan & will increase the number of personal

allowances which will have to be sanctioned in case the scheme is approved, and urged that the vacancies cannot be permanently filled up. This view was accepted by Govt in G.O. of 23.4.94 no. 268 Edn.

Dr Duncan now makes two requests -

(i) that he may be permitted now to resubmit the 'Subordinate Service' scheme for orders with the necessary proposition statements without waiting for sanction in the case of the scheme for the reorganization of the 'Superior Service' which, he says he understands has not yet been submitted to the Secy of State, ~~for sanction~~ acting allowances from grade to grade being ~~to be~~ deferred for the present;

(ii) that all officers, whose confirmation in the particular posts which they hold subprotem is delayed pending the introduction of the 'Subordinate Service' scheme, may be declared by Govt as having ~~filled~~ held such posts

Current no. 607 of 95.

Dec. 1894 no. 1894 dated 6th April 1894 was taken up in this paper, it was noted by the letter of 29 April which contains the second proposal. No reason is assigned for not referring G.O. of 23.4.94 No. 268 Edn. except the delay in sanctioning the scheme for the superior Edn. service.

provisionally under Art 109 of the Civil Service Regulations. Orders are solicited on this proposal.

With regard to the second, it has not been clearly explained why the vacancies could not be permanently filled up. ~~Clearly explained~~. ~~His~~ The Director's arguments in his letter of 6th March '94 no. 1894 are not very convincing. His request to declare these appts provisional may, however, be granted; but, before doing so, it would be well to refer the paper (C. 538) to the A.G. for very early remarks.

G.O. 268 Edn. of 23.4.94.

The reference to the Accountant General appears necessary except in so far as the objects to general sanction being recorded ~~by~~ in G.O. of Govt. Perhaps the proposal may be approved
