To,

The Director of Public Instruction,
Madras.

Sir,

In reply to your N^o. 11623, dated, 1 December 1894. I have the honour to inform you that it is practically impossible to secure a passed candidate for the post of Instructor in Carpentry and Fitting, at present held by R. Ramaswami Nayakar.

2. There is no real connection between the examination required by the Government and a knowledge of Carpentry and Fitting. What we want in the shop is a good mechanic, who understands his work and can teach it, and these qualifications the man now employed possesses; to dismiss him because he has not in addition the qualification

requi

required for a Copyist or writer, appears to me a somewhat suicidal policy.

3. I request that if it is necessary, you will move Government to exempt him from the examination required by the rules.

I have to.
