From

The Honible Mr. D. Duncan, M.A. Dsc,

COMMISSIONER FOR

GOVERNMENT EXAMINATIONS,

To

THE HON'BLE THE CHIEF SECRETARY

TO GOVERNMENT,

Fort St. George.

SIR,

With reference to para 7 of G.O. of the 28th September 1894, No 726, Educational, regarding the falling off in the number of subject candidates for the Elementary — Examination in Agriculture, I have the honour to state that, as Commissioner, I am not in possession of any information which can satisfactorily account for the decline. The explanation probably is, that if Agriculture were taught and examined in merely as a book subject, candidates would come forward, but they hold back when an attempt is made to teach and examine in the subject

subject practically. I may add that there are very few teachers at present who have gone through a course in Agriculture and are competent to teach the subject.

I have the honour to be,
Sir,
Your most Obedient Servant,
S. D. M. M.
Commissioner
