ANNUAL REPORT.

THE Council of the VICTORIA TECHNICAL INSTITUTE has the honour to submit its Annual Report for the year 1893.

2. **Secretaryship**—Mr. J. Adam proceeded on leave in May and Mr. A. E. Duchesne was appointed to act during his absence.

3. **Stipendiaries**—During the year under report there were 8 stipendiaries undergoing instruction in Drawing at the School of Arts and 13 at the Teachers' College. Of those at the School of Arts 7 have completed their course and one T. G. Krishnasawmy Pillai is still under training having had his scholarship extended for nine months, from the 14th August 1893. At the Teachers' College 8 completed their course in December 1893 and 5 in January 1894.

4. **Examinations**—The results of the Government Technical Examinations held in November last are not yet known as far as the stipendiaries of the Institute are concerned.

5. **Results Grants**—These were awarded on the conditions mentioned in Para. 6 of the Report for 1891 as follows:—

A. N. M.'s High School, Bangalore	...	...	Rs. 72
H. L. G. M. High School, Tirupaty	...	...	„ 27
Pachaiyappa's Charities	...	...	„ 249

These amounts show that Technical work is gradually making progress in the Presidency and that the aid offered by the Institute is appreciated.

6. **A. V. T. Institute, Trichinopoly**—During 1893 a grant of Rs. 191 was drawn on account of the Drawing Master. He seems to have done good work as an itinerant instructor in several schools in the district.

7. **Scholarship Rules**—These are now abrogated as the Council consider that their work in other directions will need all their resources and that the influence of the stipendiaries on the teaching of Drawing is not sufficient to warrant them in continuing the system.

8. **Future Plans**—The Council hope to be able to begin actual teaching work, in the buildings placed at their disposal in G. O. dated 6th May 1890, No. 313, before the end of 1894. Arrangements are being completed to start, as soon as possible, a class in Lithography and Type-writing which it is believed will meet a demand existing in the local market.

9. **Arcoot Dhanakhoti Mudaliyar Library**—Mr. Adam while on furlough has been engaged in purchasing books for this library. Eight cases, containing 1265 books to the value of £550-0-0, have arrived and have been placed in the New Buildings, pending the completion of the building for the Connemara Free Library, of which they will form a part. The Council are grateful to Mr. Adam for the trouble he has taken in providing the Library with a suitable assortment of books.

10. **Accounts**—The accounts for the year have been duly audited by Mr. Gardiner, appointed for that purpose by the Annual Meeting. His Report and the Balance Sheet are printed herewith. The total receipts for the year were Rs. 6998-5-5 and the actual expenditure Rs. 4177-8-6 leaving a balance on the year of Rs. 2820-12-11. Of the opening Balance of Rs. 2395-2-8, Rs. 2000 were placed on Fixed Deposit with Messrs. Arbutnot & Co. so that the closing balance amounted to Rs. 3215-8-2. Of the Capital, Government pro. notes to the amount of Rs. 16,000 have been sold and the amount realized, Rs. 16,869-6-7 placed to the credit of a Library Fund to meet the cost of the books purchased. The balance of this fund on December 31st amounted to Rs. 6590-4-11.

11. **Council**—The Honorable Mr. Boyson and Rao Bahadur Krishnama Chariar were re-elected at a meeting held on the 14th April.

At a meeting held on the 8th of May 3 places were declared vacant, namely those of the Rajah of Bobbili and Messrs. J. Adam and G. L. Chambers. These were filled up by the election of Messrs. Moss and Bourne and Major Love.

These 3 gentlemen therefore hold office only till the next General Meeting of the members of the Institute under Rule XI.

The Honorable Sir H. Stokes having left India the office of President was left vacant and has been filled up by Government by the appointment of the Honorable Mr. C. S. Crole.

The Honorable Mr. Justice Best was nominated by Government in the place of the Honorable Mr. Justice Wilkinson.

Dewan Bahadur Subbramaniam Aiyer will under the 3 years' rule retire but is eligible for re-election.

The Council have to express their deep sense of the loss they have sustained by the death of their esteemed colleague Mr. Runganatha Mudaliyar.

Thus there are five vacancies on the Council to be filled up at the next election.

ANNUAL REPORT.

THE Council of the VICTORIA TECHNICAL INSTITUTE has the honour to submit its Annual Report for the year 1894.

2. Secretaryship—Mr. J. Adam resigned his appointment on 21st July 1894 and Mr. A. E. Duchesne was appointed Secretary.

3. Stipendiaries—During the year under report there were five stipendiaries undergoing instruction in Drawing at the Teachers' College and one at the School of Arts. Of those at the Teachers' College all completed their course in January 1894, and the one T. G. Krishnasawmy Pillai at the School of Arts completed his course on May 14th, 1894.

4. Results Grants—These were awarded on the conditions mentioned in Para. 6 of the Report for 1891 as follows:—

A. N. M.'s High School, Bangalore	...	...	Rs.	96
H. L. G. M. High School, Tirupaty	...	...	„	24
Pachaiyappa's Charities	...	...	„	648

The Institute does not contemplate offering these Results Grants during 1895 from the income on its funded capital, as all this income will be required for other work.

5. A. V. T. Institute, Trichinopoly—During 1894 a grant of Rs. 324 was drawn on account of Drawing Master. He has paid 162 visits to schools in the Trichinopoly District and seems to be doing good work in teaching Drawing.

6. Future Plans—The Council had hoped to be able to commence actual work in the buildings placed at their disposal in G. O. dated 6th May 1890. Unfortunately the position of the Institute with regard to the occupancy of the building is not yet defined. The matter is under consideration by the Government of Madras, in connection with the housing of the various libraries and the constitution of the Connemara Free Library. Till the question is definitely settled the Council of the Institute are unable to put forward any well defined scheme of work. They can only express the hope that Government will adhere to the promise given in the G. O. of 6th May 1890.

7. Arcot Dhanakoti Mudaliyar Library—During the year fresh purchases of books have been made by Mr. Adam and 5 cases containing 762 books to the value of £221-3-1 have been placed along with those received during 1893. The thanks of the Council are again due to Mr. Adam for the trouble he has taken in purchasing these books.

Thus there are 3 vacancies on the Council to be filled up at the next election.
