the following letter from H. Moberly Esquire,
Acting Collector of Malabar to the
Conservator of Forests, Southern Circle,
dated 1st February 1895, no. $\frac{5414}{3009}$, and
endorsement of the latter officer therein,
dated 16 April 1895, no. 586.

My District Forest Officer North, asks
me to recommend the promotion of
Moidinkhan Forest Guard 1st Grade,
to Forester on Rs 20. The Forest Guard has
worked for nearly 11 years in the Wynad,
and seems to have given general satisfaction.
His Service Register only shows one entry
against him, which seems to have been
made, when he was quite a young man,
and although a serious one, may, I think,
be more condoned by his 10 years of good
work.

2. The District Forest Officer reports he is thoroughly acclimatized to Begur and has worked excellently, especially lately, when the District Forest Officer was left with no Rangers or Foresters at Begur. He reads and writes English well and is good at accounts. He is of course an unpassed man, but it seems to me that this is a case for special exemption. What we want in the Wynad is, a man who will work uncomplainingly in the climate, and not fall continually ill. The District Forest Officer too, assures me that by promoting this Forest Guard, no precedent will be created, as several men have been similarly promoted, he quotes one case in which, an Officer from of Mr. Porter's in South Coimbatore, was made a Forester.

to the Forest
Code. He has
to be exempted
from the usual
exam rules.

3. I send the Forest Guard's Service Register for perusal and request you will send up the case for special exemption. As the whole work of the

the Begur Range has devolved on this Forest Guard, since the 22nd December, on which date, the Ranger took privilege leave, I recommend that his promotion be antedated to and from that date.

Submitted to the Board of Revenue with my recommendation for exemption under appendix III of the Revised Forest Code.

Resolution

Submitted for the favourable consideration of Government.

2. The Board recommends that the Forest Guard referred to be exempted from the operation of the examination rules so as to allow of his promotion to the class of Foresters. Under the nomenclature adopted in the Revised Forest Code (vide G.O. 10th December 1894, no. 4843 Revenue), Foresters in common with

the Forest Guards belong to the Protective Staffs and a Forester is therefore ^{Section 26} of the Code. merely a sort of Superior Forest Guard.

Note It is reported that Moidin Khan has worked satisfactorily for the last 11 years. ^{he in 1886} ~~Since, he has been~~ reduced on a charge of extorting money, but this was taken to him young

Mr. Mohely strongly recommends
 that this may be overlooked. He
 says that Muddin Khan will work
 uncomplainingly in the Wyaad
 & will not constantly fall ill.
 It appears he has already been
 appointed to the place.

The man's office was committed in
 his early days and seems to have
 consisted in being found in liquor
 that is customary enough "distress"
 on his subordinates. He seems
 by subsequent good conduct to
 have sufficiently purged himself
