Sir,

In reply to your N^o. 10978, dated, 15th November 1894, I have the honour to forward for your information printed copies of Rules of admission for Surveyors and Draftsmen as drawn up by Colonel Smart. The test in Drawing it will be seen is laid down as "copying a lithographed Drawing". I forward copies of the drawings which were set at the Examination held on the 3rd instant. These drawings were copied freehand: I am of opinion that this is an ample test and gives a very fair idea whether the

Candidate will under instruction develop into a good draftsman. It must be remembered that instruments are expensive, and I consider it would be unfair to compel candidates to come provided with instruments for the purpose of copying the drawings to scale; this would also imply a knowledge of scales and their use, which is not I think necessary in an Entrance Examination.

2. I would recommend that Colonel Smart's proposal be adopted and that the test in Drawing be defined as Drawing. (A lithographed Drawing to be copied free hand).

I have to
Sd/- R. Davidson

OFFICE OF THE DIRECTOR OF

No. 12438

From
THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To
THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

With reference to para 2 of G.O. dated 28 February 1894, No. 128, Educational I have the honour to state that the presumption of Government as regards the nature of the test in Drawing is correct.

2. As regards the standard of the test the Ag: Principal, College of Engineering, considers that it will be enough if candidates for admission to the Draftsman and Surveyor classes

copy

copy freehand a lithographed Drawing
 fairly well. Specimens of lithographed
 Drawing set for the Entrance Examination
 held for the first time on the 3rd
 instant under the G.O. quoted
 above are herewith forwarded for
 inspection. I concur with Mr. Davidson
 in the remarks contained in his
 letter, N^o. 930C, dated, 6 instant
 copy of which is herein enclosed, and
 beg to request that Government will
 be pleased to approve the standard
 specified above, especially considering
 the average general educational
 attainments of the class of candidates
 for whom the test is intended.

I have the honour to be,
 Sir,
 Your most obedient servant,
J. J. J.
 Director of Public Instruction
