Administration, Burma, No. 5407/62
dated 2nd September 1894.

Copy of the following submitted
to the Secretary to the Chief Commissioner,
Burma, Rangoon, for favour
of sanction being obtained to the
writing off of the amount spent
on the pupil.

Memo. No. 202, dated the 3rd Septem-
ber 1894, from the Principal, Medical
College, Madras, to the Secretary
to Inspector General of Jails with
Civil Medical Administration.

I have the honour to report, for
the information of the Inspector
General of Jails, Burma, the following
circumstances under which Burma
Hospital Assistant pupil of

Panche

Panchapakesa Aiyar left College.
He joined as first year pupil in
October 1892 and entered on his
second year course in October 1893.
There was delay in the office of
the Surgeon First District to
whom is entrusted the duty of
having the bonds of students executed.
to get Panchapakesa Aiyar's bond
executed (Vide copy of docket enclosed)
When subsequently this student was
called upon to do so, he reported that
he was unable to secure a surety
to sign his bond and when pressure
was put on him by withholding
his stipend for January 1894, to compel
him to comply with the procedure
laid down, he returned his books
and declared his inability to
attend the College any longer.

The matter was reported to
the Director of Public Instruction,
Madras, under whose instructions
a registered written order was
sent

sent to the student to refund the
amount due by him, viz. Rs 192.
He has, however, written back to
say that his circumstances were
so poor that he was unable to
make any refund.

No. 120 dated 12th June 1894 from
the Surgeon First District Madras
to the Principal, Medical College,
Madras.

Reference His D. No. $\frac{26}{319}$ dated 8th June 1894

Has the honour to inform him that
in October 1892 instructions were received
to order the students to execute their
bonds. They were instructed accordingly
and from September 1893 many executed
them and to the sureties of those who
were in the mofussil, the bonds were
sent through the Sub Magistrates.

As the work was perfectly new
to this office and had to be done by
the Resident Apothecary in addition
to his other duties, unfortunately a

of a few months took place in this case.

17 OCT. 1894
DEPARTMENT.—No. 229 /4x-5.
GOVERNMENT OF MADRAS

General

FROM
The Secretary to the Chief Commissioner, Burma,
To The Chief Secretary to the
Government of Madras

Dated Rangoon, the 8th October 1894.

SIR,

I am directed to forward
for the information of the Government
of Madras a copy of the correspondence

* Endorsement No 5407/62-1M,
dated the 21st September, 1894 and
enclosure from the Inspector General
of jails, with Civil Medical Administration, Burma,

marginally-
cited, relative to
the failure on
the part of

V. Panchapa Kesa Aiyar, formerly a
Burma Hospital Assistant pupil, to execute
the bond required of medical students
at the beginning of their course
of training at the Madras Medical
College for employment in Burma

2. For reasons given by the
Surgeon of the First District, Madras,
the orders regarding the taking
of bonds from Hospital Assistant
pupils, which are contained in
the enclosures to your letter No
430, dated the 3^d June 1892, as
modified by your letter No
59, dated the 6th September 1892,
were not carried out for several
months. Under the new system of
provincial contracts the loss of Rs
2 will fall upon the Madras
Government and therefore sanction
on the writing off of it should
necessarily be given by that Government.
As far as he is concerned, the
Chief Commissioner offers no objection.

As

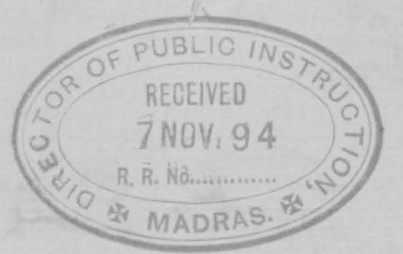

As, however, this province is much
in want of Hospital Assistants, the
Chief Commissioner will be much
obliged if arrangements can be
made to take the bonds in
future from the pupils before
they enter upon their course.

I have the honour to be,
Sir,
Your most obedient servant.

F. H. G. S.
Secretary.

It does not appear that much ³ ~~any~~ ³ ~~any~~
