Letter from the Superintending Engineer
II circle No. 414 K.S. dated 16th May 1895

With reference to para 2 of S.O. No. 1086 W dated 7th March 1895, I have the honour to report that notifications have been issued in the Fort St. George Gazette inviting passed men to take up temporary appointments in this circle, but as a rule passed men will not come forward.

2. It is difficult to explain why passed men cannot be obtained, the reasons probably are that there are more passed men in the Southern Districts, that service in the Krishna is not liked by men belonging to the South of the Presidency, and that in the Public Works Department a temporary appointment under an overseer or in any other of the lower clerical grades, is not so likely to lead to a permanent post, as would be the case with temporary appointments in other Departments.

I believe that the Executive Engineers in this circle, do all they can to obtain passed men, but in the three Krishna divisions, the difficulty is exceptional, and though I regret having to do so, I am obliged in the interests of work to apply for the exemption of a large number

of unpassed men.
