ORDER. d/ 19th June 1895 No. 512.

Letter to the

To the Secy to the Govt. of India
Home Dept. (Edⁿ)

Sir,

I am directed to acknowledge receipt of Mr. Luson's letter of 31st May '95 no. 225 H.D. (Edⁿ), and to explain below the circumstances under which the orders, directing that schools kept by lepers should not be recognised under the Educational rules or supported from public funds, were passed. In December last, the Inspector of Schools Western Circle, ~~Western Circle~~ raised the question whether a school kept by a man afflicted with leprosy ^{should} may be aided from public funds. The D.P.I.

19/6

referred the matter to the Surgeon-General & who expressed it as his opinion that a school maintained by a leper should not be recognized and encouraged by the Educational Department. X. H.E. the Gov^t in Council agreeing with the Surgeon-General in this view, orders were accordingly passed, but with this modification, viz, that care should be taken that persons suffering from leucoderma are not mistaken for lepers.

X. In support of his view he quoted order of the Gov^t directing that no leper should be retained in any Gov^t post bringing him in daily contact with the public.

He sent to the Secy of the Gov^t with copy of G.O. 26.2.95 + 13.4.95
