OFFICE NOTE. No. 17/C

From E. R.

To W.

With reference to Proceedings of the Educational Department, No. 306, dated 23rd April 1895, Communicated with G.O. No. 1085. W, dated 7th May 1895, the undersigned begs to point out that in office note No. 603 C dated 14th February 1895, exemption from the examination rules of the Educational Department, was requested in the case of all persons employed on railway surveys in this Presidency, and Government was asked to issue a general ruling applicable to all railway surveys.

2. Although in para 1 of G.O. No. 1085 Educational, dated 6th March

March 1895, Govt approved of the proposal that the examination rules should not be made applicable to persons employed on Railway surveys in this Presidency, it directed in para 2 of the same Proceedings that when the Public service Notification is republished only clerks entertained on Railway surveys should be added under the list of persons exempted from the operation of the examination rules, and in G.O No. 306. Educational dated 23rd April 1895 it stated that this exemption was not to be extended to other employés.

3. It is requested that in the interests of the public service all persons employed on railway surveys in this Presidency may be exempted from the examination Rules. These employés are engaged temporarily for a few months only, and it is difficult and frequently impossible to get passed men to accept low paid temporary appointments for a short time during which they are required to undergo the additional hardship of working with a survey party in the country. It often happens that an Engineer in Chief
