To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
Public DEPARTMENT.

SIR,

I have the honour to forward the enclosed copy of a letter from the Secy: to the Commissioners for Government examinations reporting that the number of applicants for the Civil Medical pupil grade falls short of the number of vacancies, as only 14 applications have been received from Matriculates.

2. I request sanction therefore to the vacancies being thrown open to candidates who have passed the Middle School or Lower Secondary Examination. I further request that to avoid delay this concession may also be extended to the Native Military pupil grade which is a still more unpopular service and for which Matriculates are not likely to apply.

3. I may state that a similar concession was sanctioned last year as will be seen from

Encl 1 to D. cno 715A/95

from G.O. No: 333 Educational dated the 16th May 1894.

4. Favour of very early orders is requested.

I have the honour to be,
Sir,
Your most obedient Servant,

C. H. Thorp
Surgeon Major General
Surgeon-General with
the Govt. of Madras.
