Settlement Office Bellary and Angulapur

RESPECTFULLY SHOWETH,

That your Lordship's memorialist, in submitting his case humbly begs that it will be received into your Lordship's merciful consideration:—

2. That your Lordship's memorialist belongs to a family, which ever since the English Rule, have had the high, Judicial and Revenue appointments in its service. Your Lordship's memorialist's father N. C. Gopala Chariar had not only been a Tahsildar in the ordinary Revenue Department but had spent a greater portion of his service as Supervisor of Assessment and Native Assistant in the Settlement Department and bore a share with late Mr. H. N. [unclear] in the organization of the Settlement parties.

3. That your Lordship's memorialist passed the Upper Primary Examination in December 1887, and continued his studies up to the Matriculation standard but as his circumstances in life did not permit him to prosecute his further studies he was obliged to take his present appointment as 3rd Vernacular clerk on Rs. 14 a month in the Department in which his father had been for years.

4. That under the present examination Rules your Lordship's memorialist is not eligible for advancement either in the office or in the field establishment and therefore humbly begs that your Lordship will take his case into your Lordship's merciful consideration and exempt him from passing the entrance examination as it was done to some others in similar cases in these Districts.

5. For which act of benevolence your Lordship's memorialist as in duty bound shall ever pray.
