Dated Bangalore, 22 November 1894

SIR,

The want of a training School for teachers in the school in the Civil and Military Station of Bangalore has been brought to my notice, and the Inspector of Schools has recommended the introduction of a system of scholarships to enable students from this Station to be trained in the Madras Training Schools.

2. Under the rules in force in the Madras Presidency, no fees for training are payable in respect of students sent up from schools in the Presidency, while payment of such fees is demanded in other cases. If payment of fees from students from the Civil and Military Station be insisted upon, the scholarships which otherwise will be on a scale similar to that in force in Madras, will have to be enhanced to provide for such payment. But taking into consideration the fact that the Civil and Military Station of Bangalore, though in foreign territory, is administered by the British Government, its revenues being credited to the Imperial Exchequer, and that the Inspector of schools, Central Circle, Madras, is also the Inspector for the Station there would appear to be no great difference between British territo-

proper and the Civil and Military Station of Bangalore so called.

3. In these circumstances, I have the honour to enquire whether His Excellency the Governor in Council will extend to the students sent by Government from the Civil and Military Station - the same privilege as enjoyed by students received in the Training institutions in Madras from the Presidency and exempt them - from payment of fees.

I have the honour to be,

Sir,

Your most obedient servant,

Macdonald
Major,
First Assistant to the Resident,
for Resident.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 15 December 1894.

No. 12250

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In returning Government Endorsement, No. 2371, dated, 29 ultimo, I have the honour to state that, in G.O., dated, 22 July 1892, No. 549, Educational, Government declined to forego the fees payable on account of Burma Medical pupils, who are receiving instruction in the Madras Medical College. Moreover, when M. R. Ry. M. Narayana Rao of the College of Agriculture was sent to the Bombay Veterinary College for a course

of instruction in Veterinary Surgery, his college fee amounting to Rs 60 was borne by this Government. (Please see G.O. Educational, N^o. 707 dated, 30th November 1888). Further Rule 26, Section VI, of the Madras Educational Rules clearly lays down that tuition fees should be paid by students coming for training from outside the Madras Presidency. I, therefore, regret I cannot see my way to support the recommendation of the Resident in Mysore that students coming for training from the Civil and Military Station of Bangalore should be exempted from payment of tuition fees.

All students whether from within or without the Pres^{id} are bound to these agreements

Why? difficult to doubt but hardly impossible

2. As regards the Resident's remark that no fees for training are payable in respect of students sent up from schools within the Presidency, I beg to observe that no fees are demanded from them in consideration of the agreement which the students execute binding themselves to serve as teachers in recognized schools in this Presidency. If they fail to serve, they are required ^{not only} to refund the stipends and travelling allowances drawn by them while under training, but also to pay tuition fees at the sanctioned rates. This condition is invariably enforced. Such a condition cannot possibly be exacted from students trained for the Governments of other provinces, for private bodies, or for Native States.

3. It might be said that students from Bangalore would be trained in our schools without any increase to the staff and, therefore, without loss to the Government or detriment to the continued supply of trained teachers for work in this Presidency. But I would point out in reply that compliance with this request would probably result in preventing some of our own teachers from being trained. The teachers from Bangalore would in all likelihood wish to join either the Teachers' College or the Presidency Training school for mistresses. Now both these schools are working up to the full measure of their capacity, and the admission of

a

of a contingent from Bangalore would mean the exclusion of some of our own teachers from the benefits of training. According to rule 25 of Section VI of the Madras Educational Rules students from outside the Presidency are to be admitted only if there is room after our own teachers have been provided for.

I have the honour to be,
Sir,

Your most obedient servant,

J. G. S. S.

DESPATCHED

IN M.S.
To the D.P.I. (R 40) 24/11/94
Letter No. 58.

To the Resident in Mysore.

Sir,

JG

I am directed to reply to
your letter of the 22nd Nov.
last, No. 4003 — 324-94,
wherein you suggest that
residents of Bangalore
who are desirous of
qualifying themselves as
teachers should be
permitted to attend the

training schools & colleges
in this Presidency free
of fee.

2. Your communication was
referred to the D.P.I., Madras,
for remarks & he has reported
adversely to the grant of
the proposed concession.

D^r Dumeau points out that
every student, on admission
to a training institution in
Madras, is required to ~~enter~~
~~into~~ an agreement binding
himself, among other things,
to ~~enter upon~~ enter upon
the duties of a teacher im-
mediately after the expiry
of his course of training &
to ~~continue~~ continue to perform
such duties for a period
of two or three years & that,
in the event of any breach
of this condition, the defaulter
is required to refund the
whole sum drawn by him
on account of stipend &
travelling allowance & to
pay in addition the fees
prescribed for students
coming from outside the
Presidency. D^r Dumeau urges

The D.P.I. further observes
that the Bangalore students
would probably elect to
join the Teachers' College
at Saidapet (Madras) or

that it would be difficult,
if not impossible, to enforce
~~the penalty~~ in the case of
students not belonging to
this Presidency, the penalty
attached to the breach
of the agreement.

the Presidency Training
School for Mistresses &
that, as these institutions
are fully occupied in
training students for service
in Madras, it would be
inconvenient to admit
students from places
outside this Presidency.
3. In addition, it may be
mentioned that the upkeep
of training schools is
a heavy charge on
Provincial funds & it
appears only reasonable
that Imperial revenues
should ^{make} contribution towards
the cost of these institutions
~~if not~~ in the shape of
free if they are utilized
for the purpose of training
teachers for service in
Bangalore.

4. In view of the above
considerations, H.E. the G.
in C. regrets that he is
unable to assent to the
~~concession~~ proposal
contained in your letter.
