STATEMENT OF THE OBJECTS, AND AN APPEAL IN BEHALF, OF THE CIVIL ORPHAN ASYLUMS.

The "Madras Male and Female Civil Orphan Asylums" were founded by East Indians for relief of the poorer members of the community in the early part of the present century, so far back as 1807 and have, therefore, been in operation for more than eighty years.

A full statement of the funded capital and financial resources of these Institutions will be found in the Annual Report. Improvements have been introduced into the system of education pursued in each of the Asylums, with a view to increasing their public utility. For the furtherance of this object these schools are now placed under Government Inspection. The Directors are now anxious to open up departments of trades and industries, so as to afford the children the means of obtaining a useful and honourable living hereafter; but the want of funds, wherewith to provide the necessary plant and skilled supervision, is a serious and insurmountable difficulty. There is a scheme before Government by which Workshops will be built for Trades and Industries, and accommodation for 100 boys of the "Industrial School."

All orphan children throughout the Presidency, descended from parents who are either East Indian or European, not in military employ, are eligible for admission.

This fact, it may be assumed, is generally known throughout the Mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim resulting *from this fact*, upon persons residing in the Mofussil for some contribution towards the support of these Institutions, does not appear to be so generally recognised.

Local charities have a strong claim upon residents at each particular station, but not to the exclusion of large public Institutions which afford relief and the blessing of a Christian education to destitute orphan children without reference to locality within the Presidency, and for whose relief local charities cannot make adequate provision. At the General Meeting at which the report for 1888 was read, the Secretary received instructions to make special appeals to the Chaplains at the several stations to collect money on behalf of these Institutions, and to remind them from time to time of their obligation in the cause of a most deserving charity.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are ex-officio Patrons of these Institutions. The Directors, therefore, earnestly request the Clergy in the Presidency and Mofussil either to make regular periodical collections at their churches in behalf of the Asylums, or else to circulate this appeal, together with the accompanying report, among the European and East Indian residents at their stations. East Indians are particularly invited to come forward and contribute, according to their means, towards the support of Institutions, which provide such efficient relief for the destitute and distressed members of their own community.

Contributions may be remitted to Mr. C. Hall, Treasurer, Vepery, or to The Secretary, [illegible] 28, Male Asylum Road, Egmore, Madras.

See Appendix.

9. Teaching Staff.—There were no changes in the teaching staff in the Male Asylum.

In the Female Asylum, an Extra Assistant Mistress, Miss Hourigan, normally trained, was appointed from 1st April 1894.

Chaplain's Report.

12. I took over charge from Rev. C. H. Malden, on the 30th March. During the whole year Service has been performed each Sunday morning and on Christmas Day by the Chaplain, and on Sunday evening and Week-day mornings by the Head master or one of his Assistants. The Holy Communion was administered 14 times. The offertories amounted to Rs. 33-14-1 out of which grants have been made to Mrs. Firth's Homes Rs. 5, and the Diocesan Prayer Book Examination Prize Fund Rs. 15. Sunday School has been held morning and afternoon. In the afternoons, about twenty of the elder girls and fourteen boys (Choristers) have attended Sunday School at S. Mary's Church. Fifteen boys and four girls were confirmed by the Lord Bishop of the Diocese at S. Mary's Church on the 12th December.

Mr. S. Lamoury, Organist of S. Mary's Church, who for very many years has gratuitously officiated as organist at the Sunday Services, was compelled in May last to resign, owing to his having gone to reside at Madavaram. I take this opportunity of thanking him most heartily, in the name of the many Chaplains under whom he has served, for his labour of love. It was no light work, after the service (sometimes two services) at S. Mary's, to come such a distance a portion of which he had to walk in the heat of the mid-day sun. I have to thank Miss Prince for so kindly taking his place at the Harmonium.

The Results of the Examination in Religious Knowledge have been, on the whole, very satisfactory. From the Male Asylum,

nine boys were sent up for the Lower Grade Diocesan Prayer Book Examination, all of whom passed; one, J. B. Waldhouse, obtaining a prize and two Merit certificates. Sixteen were sent up for the Elementary Examination, all of whom passed; Edwin Tremlett and Joseph Hafton obtaining prizes, and eight others, Merit certificates.

From the Female Asylum, four girls were sent up for the Higher Grade Diocesan Prayer Book Examination, of whom 3 passed. Six were sent up for the Lower Grade, all of whom passed; May Cruickshanks and Ellen Jackson obtaining prizes and Catherine Daniell, a merit certificate. For the Elementary Grade, eight were sent up (ages 7—11) of whom 7 passed, 3 obtaining merit certificates.

The whole school was examined in Religious Knowledge at the end of the year; the boys by Rev. R. J. Brandon, LL. D., the girls by Rev. H. D. Goldsmith, M.A. I append their reports for which I here tender my best thanks.

The results of the Public examinations in secular subjects which on the whole, were fair, appear in another portion of the Report. I have much pleasure in bearing testimony to the hearty and steady work of those members of the staff who are under my more immediate supervision. I have found them most willing to obey my instructions and have seldom had occasion to find fault.

Scripture Examination.

13. MALE ASYLUM.—The Rev. Dr. Brandon examined the school in December 1894. Classes II. and III. did very well. Class IV did well. Forms III, II and I. did badly. He remarks "on the whole the examination shows success as over 50 per cent of the questions asked were answered."

FEMALE ASYLUM.—This school was examined by the Rev. H. D. Goldsmith also in December, who in his report remarks that he was pleased with the results.

Government Inspection.

14. The Inspector of Schools examined the Male Asylum in December, 1894 and Mrs. Brander, Inspectress of Girls' Schools, the Female Asylum in November 1894. Extracts from

the Inspection Reports will be found in the Appendix. The result of the inspections appears to have been satisfactory. The review of the Director of Public Instruction has been received on the Female Asylum only. The Director remarks that the condition of the school may, on the whole, be considered satisfactory.

Finance.

15. INCOME:—The amount received in 1894, was less by Rs. 3,370 than that received in 1893, as shown in the table given below :—

17. The average number of children maintained during the year has been 131, against 128 in the preceding year. The monthly cost of maintaining each child has been Rs. 14-1-4 against Rs. 15-6-10 in 1893.

18. The decrease in the amount of receipts is owing chiefly to interest on Government Promissory Notes due in November 1894 not having been received till after expiry of the year: the subscriptions are less than in the preceding year and this is probably owing to special donations having been received in that year in response to an appeal. It must be stated with regret that Church collections have considerably fallen. A sum of Rs. 220 remitted by the Madras Dramatic Society has to be gratefully acknowledged.

The reduction in expenditure is owing partly to the introduction, under medical advice of a revised scale of diet, and partly to there having been no abnormal outlay on buildings as in 1893.

By the conversion of Government Promissory Notes bearing interest at 4 per cent. per annum into the 3½ per cent. loans, the loss to the Asylums will be Rs. 944 annually. Unless this amount is otherwise secured, the good work the Asylums are doing must be curtailed by reducing the number of children admissible to the benefits they confer. The aid received from S. Mary's Church Fund will also be reduced by about Rs. 1,050 annually.

MISCELLANEOUS.

22. GYMNASTICS.—At the beginning of the year there were 42 boys learning Gymnastics; 13 in the senior class and 29 in the junior class; and, at the end of the year, there were 13 seniors, and 29 juniors, making a total of 42. Mr. Marsden, Inspector of Schools, inspected the boys in Gymnastics in December 1894 and has reported that all classes have done well. One of our little boys, Hedley Smith, has succeeded in winning a watch, as a Special Prize in English Gymnastics, awarded by the Madras Athletic Association. The same boy has also won the Silver Medal for Gymnastics in the School.

23. CADETS.—There were 24 boys in the Cadet Company at the beginning of the year and 14 at its close. The small number at the end of the year is due to many of the older boys, who were Cadets, having been withdrawn by their relatives.

24. BAND.—There were 25 boys in the Band at the beginning of the year. Two boys from the Band were employed by the Madras Railway Company, as Bandsmen, but are, at the same time, receiving a training in an industry. Both boys are doing well. Two others who made very great progress have since left to take up other appointments. Under Mr. Nagle's careful tuition the Band has made very good progress.

25. Your Directors have to inform you that the Government has before it a scheme, which if carried out will materially alter the constitution of these Asylums, viz., for the removal of

the girls in the Female Asylum to the Military Female Orphan Asylum and the transfer of the boys of the Industrial School to the building occupied by the girls so removed. The following orders on the subjects have been communicated to the Directors. —G. O. dated 20th February 1893, No. 21, 1st June 1894, No. 381 and 23rd October 1894, No. 801.

The proposals embodied in the scheme are:—

1. The Female Branch of the Civil Orphan Asylum to be amalgamated with the Military Female Orphan Asylum.

2. The Industrial School to be removed into the buildings now occupied by the Civil Female Orphan Asylum.

3. The Hospital of the Female Orphan Asylum to be fitted up as a workshop for the boys of the Industrial School and Orphan Asylum.

In reply to a communication from the Director of Public Instruction dated 4th July 1894, No. 6371 requesting the views of the Directors on the scheme, your Directors informed him that they approve generally of the scheme as set forth in G. O. No. 381 dated 1st June 1894, given above, subject to the necessary consent of the subscribers being obtained to the detailed scheme when worked out.

Subsequently, G. O. No. 53 dated 22nd January 1895, Government appointed a Committee to draw up a detailed scheme for the proposed amalgamation consisting, among others, of two Directors of the Civil Orphan Asylum, and your Directors were requested to nominate two of their number to serve on this Committee. A Special Meeting of the Directors was accordingly held on the 16th February 1895 for this purpose, when the Rev. G. H. Pelly and Mr. C. Hall were elected to represent them on the Committee.

CONCLUSION.

26. The Directors tender their best thanks to those donors and subscribers who contributed towards the support of these Institutions as without their aid the good and charitable work could not have been carried on.

By Order,
J. T. GREATOREX,
Hony. Secretary.

APPENDIX.

A.

Annual Medical Report of the Civil Orphan Asylums, Madras, for the year 1894.

1. General Health.—The health of the institution was very good during the year. The number of admissions (76) compares very favourably with 1893, when they amounted to 109. This immunity from disease was chiefly due to the entire absence of Epidemics. The admissions were, boys 71 and girls 5.

2. Deaths.—None.

3. Conservancy and Bathing.—Both were well attended to.

4. Epidemics.—None.

5. Hospital Buildings.—Large, well constructed and clean.

6. Cost of Medicines.—Rupees 43-6-11. This was considerably higher than in 1893. The increase in expenditure can be accounted for by the stock of Medicines towards the end of the preceding year being exhausted to a considerable extent and necessitating a larger indent; also to the enhanced charges on account of the depreciation of the Rupee.

7. General Remarks.—Some changes were made in the diet scales, especially with reference to economy. The health of the girls was much more satisfactory as there were only 5 admissions into hospital.

Assistant Surgeon H. Hawkes performed his duties to my entire satisfaction.

Royapooram, Madras,
5th January, 1895.

Dear Mr. Pelly,

I examined, at your request, the boys of the Civil Orphan Asylum in the portions of Scripture set for the Examination. Class II. did very well answering eighty per cent. of the questions given. Class III. was almost as good. Class IV. did well answering fifty-four per cent. Forms III, II and I. did badly.

On the whole the examination shows success as over fifty per cent. of the questions asked were answered.

I would, however suggest that more attention be given to the education of the boys in Scripture as the questions I asked were very easy and I doubt if the boys could have passed a more searching examination.

Yours truly,
(Signed) E. J. BRANDON,
Chaplain.

C.

12th December, 1894.

DEAR MR. PEASE,

I examined in *Religious Knowledge* the C. O. A. Girls to-day, and was pleased with the results.

In the lowest division of the school it was explained to me that most of the children were new-comers and that therefore the Teacher could not be blamed for not producing better results. I was very pleased with the accurate knowledge of Scripture shown in the 2nd Division.

1*st Division*.—In Form III the best girl was Ellen Jackson, but she was one mark behind Catherine Daniell of Form II and equal to May Cruickshanks of Form II and Adelaide Coultrey of Form I. All 17 passed and obtained half-marks.

In the Second Division I examined 17 girls, Eva Eccleston (Form I) was equal with Mary Cruickshanks (Class III) and next to them came Beatrice Adie (Class IV) and Mabel Corbett bracketed equal. I was very pleased with the answers given by the girls in this division. They had evidently been very carefully trained.

In the Third Division of the school consisting of the lowest 18 girls Florence Lopez (Class II) stands first, and Harry Reynolds with Irene Carlier are second. Jane Henderson of Class I is the best of that class, but not so good as Harry Buckland of the Infant Class.

I examined this Division in Church Catechism and found them well up in this subject.

In the 2nd Division I only examined those 3 girls who had not gone up for the Prayer Book Prize Examination in Church Catechism. They all passed.

Another year the Infants will do better I feel sure. Not much could be expected of them for the reasons explained above. I congratulate you heartily on the discipline and good behaviour of the school.

Yours sincerely,
(Sgd.) HENRY D. GOLDSMITH

CHIEF SECRETARY'S OFFICE MADRAS
20 JUN 1895

Sir,

I have the honor by desire of the Directors of the Madras Civil Orphan Asylums to submit their Report on the operation of those Institutions for the year ended 31st December 1894 and to request that Government will kindly sanction the payment of the Annual Donation at an early date.

I have the honor to be, Sir,
Your most obedient Servant
C. H. Deffee
Chaplain
for Honry Secretary

Please address your reply to The Secretary, Civil Orphan Asylums, Nos. 14 to 15, Male Asylum Road, Egmore, Madras.

C. No. 716 of 95

I think that under all the circumstances the grant should be reduced to $\frac{1200}{3000}$ 2920 = 1171

JK 5/7

JW 6/7/95

FOR ORDERS.

The payment of the annual grant of Rs 1200 to the Civil Orphan Asylums is conditional on the receipts from subscriptions & donations not falling short of Rs 3000. From the report now submitted, it will be seen that subscriptions and donations amounted last year to Rs 2590. Church Collections are also treated as Contributions (Please see note on the Case of G.C. $\frac{476\ S.C.}{26.6.92}$), and including these, the amount realized from subscriptions & Donations during 1894 is Rs 2708 which is less than the prescribed sum by Rs 292.

The question now is, whether the whole grant may be paid, or whether the grant ~~ought~~ should be ~~[illegible]~~ proportionately reduced, [illegible] the

[illegible] $\frac{1171}{4.5.97}$ [illegible]

To this should clearly be added the extraordinary contribution of Rs 220 received from the Dramatic Society which raises the total to Rs 2920 — vide p. 27 of report.

The old papers do not seem to throw any light on this point.

It is submitted that, ~~But~~ Considering ~~that~~ the deficiency in the receipts from subscriptions & donations is only about Rs 300 the whole grant may, as a special case, be paid.

The earliest papers in the file show that prior to 1885 no Govt grant at all was given when the private contribution fell below the prescribed minimum. The same course must be adopted now unless Govt. see fit to waive the old orders. A special reason for such waiver is perhaps to be found in the fact that Govt. no longer pays any contribution to the Military Orphan Asylum & can thus afford to treat the C.O.A. more liberally.

The donation of Rs 1200 being dependent on a minimum private contribution of Rs 3000, the proportionate ~~contribution~~ amount due for contributions amounting to Rs 2928 is Rs 1171. It is perhaps wiser to make some reduction in order to warn the Directors that they must make efforts to keep the private contributions up to the mark.

ORDER. dated 11th July 1895 No 574

The Civil Orphan Asylums are not entitled to claim the grant of the annual donation from Govt., inasmuch as the receipts from private contributions in 1894 did not reach the prescribed minimum of Rs 3000. The Govt. is however unwilling entirely to withdraw assistance from this institution & therefore resolves on this occasion merely to make a proportionate reduction in the grant i.e. from Rs 1200 to Rs 1171, as the total contributions amounted to Rs 2928 instead of Rs 3000. The payment of this sum will accordingly be sanctioned.
