From - Mr. R. Ry. J. J. Raghava Chariar
Asst. Engineer in Charge, Tanjore Division

To - The Supt. Engineer V Circle, Madras.

Sir,

In submitting the accompanying Extract from the Disallowance List on the Salary bill of this Division for April 1895, I have the honour to report that furlough was granted for one year, with effect from 28th April 1895, to Sadanantham Pillay clerk V class 1st grade, and to fill up his place, owing to the difficulty of securing the services of a better competent clerk because the pay of the acting appointment was only Rs 7-8-0 per mensem, I appointed the clerk (Mr. Soosai Pillay) who was the only available hand and who has passed the Matriculation Examination. Although he has not passed the Hand writing Test, he writes a tolerably good hand and his writing is quite suited for office purposes. He is, besides, intelligent and very useful in office work. He is prepared to appear for the Examination to be held in December next and he will have very fair chances of success.

In these circumstances, I request you will be so good as to get him exempted from passing the test under reference as a temporary measure. The clerk's original application with Mr. Johnston's remarks on it is

herewith

herewith forwarded for your Kind perusal.

I have &c
