OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 11th July 1895.

No. 7347

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to this office letter, No. 4374, dated, 10th April 1895 and G.O. dated, 3rd May 1895, No. 354, Educational, I have the honor to request that Government will be pleased to transfer the Nilgiris to the charge of the Assistant Inspector of Schools, 8th Division for the reasons set forth below:-

2. While proposing the redistribution of the Sixth, Seventh and Eighth divisions in my letter referred to above, I did not consider it necessary to relieve the Inspector of Schools, Western Circle, of the charge of the Nilgiri district, being under the impression that the inspection

inspection work which the Inspector was expected to do in that district would be light and such as could be completed within two months - the period he is allowed to spend on the Hills.

But in the Inspection Programme submitted by the Inspector of Schools, Western Circle, X M. Logan recently, he has proposed to devote to the inspection of Schools on the Nilgiris nearly one-half of the time he intended to spend in connection with the inspection of the institutions in the remaining five districts of the Circle, viz, Trichinopoly, Salem, Coimbatore, Malabar and South Canara. It goes without saying that the Educational condition of the Nilgiris does not require that an officer of the standing of an Inspector, whose jurisdiction extends over six districts, should devote over a fourth of the year to that district and that the interests of the other and more important districts would be imperilled

imperilled by the Inspector making such a long stay on the Hills. Further, so long as the Nilgiris, unlike all the other districts, is under the direct supervision of an Inspector, a different procedure has to be observed in regard to the inspection of schools, the annual conference of inspecting officers, the preparation of D and E lists and the annual report and returns, while the Assistant Inspectors attend to work of this kind in other districts. Now that the Assistant Inspector of Schools, 8th Division, has been relieved of the charge of the Trichinopoly district, the addition of such a small district as the Nilgiris will not greatly increase his work. The Inspector will continue to examine the Breck's Memorial High School, the Lawrence Asylum, and some of the other important European institutions during his two months stay on the Hills during the hot weather.

3. The Inspector of Schools, Western Circle, has no objection to the arrangements herein recommended which, I request, may be given effect to during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. M. M.

Director of Public Instruction

Note

As sanctioned in G.O. No. 402 of 6 June '94, the territorial jurisdiction of the Inspector of Schools, S. Circle comprised five districts—North Arcot, South Arcot, Tanjore, Madurai, & Trichinopoly, with three Assistant Inspectors, Fifth Divⁿ—North & South Arcot Sixth — Tanjore & a portion of Madurai Seventh — Trichinopoly & the remaining portion of Madurai.

And the Western Circle comprised
the districts. Coimbatore, Nilgiris,
Salem, Trichinopoly, Malabar,
& S. Canara with two Assistant
Inspectors.

Coimbatore	}	Eighth Div ⁿ
Salem &		
Trichinopoly		
Malabar	}	Ninth Div ⁿ
S. Canara		

Nilgiris being under the direct
Charge of the Inspector.

But experience shewed that
the arrangement of ~~having~~
placing one District (Malabar)
under two Assistant Inspectors
looked very unsatisfactorily,
& the Sixth, Seventh & Eighth
Divisions were therefore redistributed
as under, (G.O. 354 D. 73.5.95).

Sixth Divⁿ — Tanjore & Trichinopoly
Seventh — Malabar & Travancore
Eighth — Coimbatore & Salem,
Nilgiris continuing under the
Inspector.

The Director now reports that
the inspection of schools in the
Nilgiris ^{which he cannot do as he is hindered by the} takes up ^{one-half of}
the ^{Sup^r} time which ^{he would} have ^{devoted} to the other five districts
and, as the Educational Condition

Condition of the district
does not require that ~~an~~ an
officer of the standing of an
Inspector should devote one-a
fourth of the year to that District.
^{Director} ~~the~~ ^{recommen} do that 'Nilgiris'
may be added on to the Eighth
Divⁿ, so that Coimbatore, Nilgiris
& Salem may form one Assistant
Inspector's Division. The Asst
Inspector Eighth Divⁿ was relieved
of the Trichinopoly District under
G.O. 354 ^{3.5.95} & the addition of 'Nilgiris'
will not much increase his
work. This proposal may, it is
submitted, be approved.

Art. 8. Ch. IV. of the Grant-
in-Aid Code would need
alteration & the Director may
be asked to bear this in mind
when the Code is next revised.
