FOR ORDERS.

These accounts contain four applications for admission to the Matriculation Examination of the London University to be held at Madras in January 1896. The following conditions are required by the rules (vide G.O. 314 / 4-6-93)

(i) The application must reach the Chief Secretary on or before July 1st

(ii) It must be accompanied by

(a) a treasury receipt for the prescribed fee

(b) a certificate showing the candidate to be over sixteen

(c) a certificate of good character

(d) a certificate from the head of a First or Second Grade College to effect that the candidate has a reasonable chance of success

(e) a statement showing the second language & science in which the candidate desires to be exami

2. All these conditions have been satisfied by two of the five applicants viz:
Miss Dorothea Watts
Mr R. P. Collins.

3. Candidate K. Ramachandra produces no certificate of age, no certificate that he has a reasonable chance of success & his certificate of character merely states that for two months in the year 1889 he always behaved like a gentleman. He submits however a certificate that he was called to the bar in April 1891, which is sufficient proof that he is over sixteen & promises* to submit a certificate as to his chances of success when the colleges reopen.

Candidate L. A. Thomas submitted his application in time but it was unaccompanied by any of the prescribed certificates or a treasury receipt. The latter was received on the 5th July. — This candidate appeared at the examination last January & failed. The fact of his failure cannot have reached him till last month.

Candidate S. S. Manekkar of Bombay submitted his application five days late unaccompanied by any of the prescribed certificates. He states that those relating to age & character which he forwarded last year have not been returned to him

FOR ORDERS.

* Please see C. 781 & 801 since received; the candidate was at Pachaiyappa's College when Mr Adam was Principal & C. 801 contains a certificate from that gentleman: this should be sufficient.

but the records of G.O. 501 of 11 July 1894 shows that all certificates were returned to the applicant. He urges that it is impossible for him to produce a certificate that he has a reasonable chance of success as he was educated at the Mangalore College which he left in 1890 when Mr Moore was Principal. He was warned last year that he would be debarred from appearing at the exam if he failed to produce such a certificate.
