OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,

Madras, 12 July 1895.

No. 7392

From

THE HONORABLE MR. D. DUNCAN, M.A., D.S.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

Sir,

With reference to G.O. No. 554, Educational of the 3rd instant. I have the honour to submit the following explanations and remarks and to request that the early sanction of Government may be obtained for the constitution of the new Board of Examiners, as the Board has to enter on its duties on the 1st proximo.

It is intended that one of the members of the Board should perform the duties of secretary to the Board. The necessary alterations have been made in the draft printed.

printed rules, which will shortly be submitted to Government.

3. The examination for Technical Teachers' certificates will also be conducted by the Board with the assistance of specialists when necessary. Rule 3 of the draft has been altered to make the point clear.

4. The places and dates of examination are intended to be communicated by the Secretary. The necessary change has been made in the printed rules.

5. Each candidate should, I think, be allowed a minimum of 15 minutes for the delivery of the lesson. A provision to this effect has been inserted in the printed rules. I originally intended to leave this to the discretion of the Board.

6. The examinations for both general and Technical Teachers' certificates will be conducted by the same Board and I presume that in para 1 of the order Government desires information as to the financial effect of the substitution of one central Board for the several local
Bd.

Sub. Committees in regard to the conduct of the Practical Tests. At present the examiners are remunerated in the case of the Written examination by a prescribed scale of fees with reference to the number of question papers set and the number of answer papers valued, and in the case of the Practical Test by a daily fee at the rates sanctioned in G.O. Educational, no. 645, dated, 4th September 1873. The Practical Test is held all through the year and all the Candidates passing the Written Examination in one year do not appear for the Practical Test in the same year, so that it is not possible to ascertain how far the charges connected with the Practical Test held in one year are met from the fees collected from candidates during that year. During the three years ending with 1894-95, the fees paid by Candidates for the Teachers' certificate examination amounted in all to Rs 20,903
and

1 and the charges aggregated Rs 24,082. With a view
3 however, to regulate the charges connected with the
4 Practical Test with reference to the fees paid by candidates,
of I think it is necessary to pay the examiners conducting
at the Practical Test also at so much per candidate -
5 examined instead of at a daily rate. The consolidated
to fee for the Written and Practical Tests for the Second
6 grade Collegiate, Upper Secondary, Lower Secondary, and
7 Primary teachers is now fixed at Rs 7, 5, 3, and 2
8 respectively and the average cost of the Written
9 examination for each of the above grades is -
10 for Rs 7, 3, 1, and $\frac{1}{2}$. In order that the charges may
11 be as far as possible, be kept within the fee receipts
12 and to allow a fair scale of remuneration
13 to the examiners conducting the Practical Test,
14 I propose to raise the fees to Rs 10, 6, 4, and $2\frac{1}{2}$
15 respectively. The necessary changes will be made
16 in the printed rules to be shortly submitted to

to Government and the fee to be paid to a member of
the Board for conducting the Practical test will be
reported in a separate communication for approval
and sanction. The fees prescribed for candidates
for Technical Teachers certificates need not be disturbed
at present, as comparatively very few candidates
appear for the test.

I have the honour to be,
Sir,
your most obedient servant.

J. G. S. S.

Director of Public Instruction.

C. No. 812 of 95

FOR ORDERS

S.O. No. 5545th
3.7.95

With reference to his
proposal for the reconstitution
of the Board of Examiners for
Teachers' Certificates, the R.P.S.
was required to report on the
financial effect of the reconsti-
tution & to furnish information
on the certain points.

The points noted & the R.P.S.
replies are as below-

i. How is the Secretary to be
appointed?

Reply. It is intended that
one of the members should
be the Secretary.

Who that member is has
not been stated. When
appointing the members
of the Board, it is desirable
that the Secretary should
also be appointed.

I should have thought
it clear enough without
the addition.

The rule has been
allowed to make it
clear.

(iii) By whom the places
dates of examination
are to be notified.

Reply By the Secretary.

(iv) What time should be
fixed as the minimum
period of duration for
the lesson which each
candidate is required
to give.

Reply Each candidate
should be given a min.
of at least 15 minutes.
It was originally intended
to leave this to the discretion
of the Board.

The O.P.D. says that these alterations
have been carried out in the draft
printed rules, which will
shortly be submitted to Govt.

With regard to the
financial aspect of the
reconstitution, he says that,
as the practical test is held
all through the year ^{as} all the
candidates passing the Written
Examination in one year do not

Teachment that this is necessary at this stage.
When the O.P.D. is issued rules come, or should be
at least when he makes the appointment
of the candidate or that of Govt.

When the first Board was

with it; & when Mdky
J. M. Velu Pillai was

appointed a member of the
Board in April 94, it was
pointed out to the Director
that ^{it} ~~nothing~~ ^{had} been said
whether Mdky J. M. Velu Pillai
is to perform the duties of
Secretary - apparently
intending that the appointment
of Secretary should be made
by Govt. The Director
should therefore be required
to report the name of that
member whom he would
recommend to be Secretary.

(iii) The necessity for the insertion
of the phrase "as well as
the examination for technical
teachers' Certificates" in rule
was ^{not} apparent.

not appear for the practical test in the same year, it is not possible to ascertain how far the change connected with the practical test in one year are met from the fees collected from the candidates in that year. The Director proposes that, instead of the daily fee which ^{was} paid to the members who conduct the practical test (G.O. No. 640 of 4th Sept '93), the Examiners may be paid at so much per Candidate examined. This proposal may, it is submitted, be approved. He says that the necessary changes will be made in the printed rules to be shortly submitted to Govt. & that the fee to be paid to each member will be reported later on.

The B.P.C. also proposes that the consolidated fee for the Written & the Practical Tests for the Secondary College, Upper Secondary, Lower Secondary & Primary grade teachers may be raised to Rs. 10, 8, 6 & 2½ respectively. At present the fees are Rs. 7, 5, 3 & 2 respectively.

With reference to the foregoing

as to fee the paid to the Examiners has not yet been fixed, it is proposed to try, as the amount is put off by

But, pending their formal sanction, the Director requests that early sanction may be accorded for the reconstitution of the Board, as the Board has to enter on its duties on the 1st proximo.
