LETTER—to

THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

RIGHT HONOURABLE SIR,

We have the honour to request that you will be pleased to move the authorities of the University of London to arrange for the holding at Madras of the LL.B. Examination of that University in January 1896. We have received an application from one candidate, viz., M.R.Ry. L. D. Swamican, who passed in the first division the Intermediate Examination in Laws of the London University held here in January 1894. He has deposited the equivalent of Five Pounds sterling—the fee prescribed for first admission to the examination.

2. We have also to request that you will be good enough to enquire whether the University authorities would be prepared to make a further concession in favour of Indian candidates by allowing the examination for the degree of Doctor of Laws to be also held at Madras. M.R.Ry. L. D. Swamican expresses his desire to appear for that examination in January 1897 in the event of his passing the LL.B. examination for which he has now applied.

We have the honour to be,
Right Honourable Sir,
Your most obedient, humble servants,

Henry Winlock
