Sir

Although Government has decided

Against the entertainment of the additional staff required for the Lower Secondary Classes of our Practising Department, as will still be necessary to apply for sanction of an increase in the rent of Rs 10/6 per month which we have hitherto paid from fees for that part of the building lately vacated by the Inspector of Schools on his transfer to Waltair.

Under the old system there was barely space for the various sections of the Practising Classes so that the increased number of Normal Students renders it absolutely necessary to occupy more rooms to afford practising facilities for all of them. The floor space of that part of the building

building originally occupied by the Practising School is not more than 325 sq yds including two little dark rooms scarcely fit for teaching purposes. The additional portion covers some 215 sq yds and gives us three airy Class rooms besides a large open square in which we can erect sheds if need be. It was this additional accommodation which I had in view when I stated that all the classes were "well housed under one roof." This cannot be said if we are again reduced to the limited space of the old Normal School. I would urge that sanction be applied for and accorded with as little delay as possible. In the meantime we will keep possession of the rooms to prevent them passing into other hands.

OFFICE OF THE DIRECTOR OF

Current No. 743

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour to request that the sanction of Government may be obtained for raising with effect from July 1894 the house-rent allowed to the Training Section of the Rajahmundry College in G.O. dated 22nd September 1893, No. 692 Educational from Rs 31 to Rs 46 per mensem.

2. Prior to the above date, the office of the Inspector of Schools, Northern Circle, was held in a portion of the building occupied by the late Normal School, Rajahmundry, for which a rent of Rs 15 per mensem was paid. In the remaining portion of the building were located

located the Upper Secondary, Lower Secondary and primary departments of the Training Section of the Rajahmundry College as well as the Primary classes of the Practising School, the lower secondary classes of the Practising School having been held in the Innepetla High School building. On the transfer of the Inspector's head-quarters from Rajahmundry to Waltair in July 1894 Mr. Metcalfe took possession of the portion thus vacated and had the lower secondary classes referred to above removed to it in view to efficient supervision. Vide the enclosed copy of his letter, N^o 590, dated 25th February 1895. The increase of rent applied for was the rate at which the Inspector was paying rent while at Rajahmundry.

3. Provision for the extra charge has been made

made in the current year's budget, and the amount of rent due for the period prior to March 1895 can be met from the provision of Rs 3000 for special contingencies under "Training Schools for Masters" in the same budget.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. Gnanam
