Memorial

Presented to Government by E. Sivabha:ramani Clk. Workshop Office Godavari, praying to make him eligible for grading promotion Rs 20 to 30 under Madras P.W. Code para 182

Most Honored [illegible] Gentlemen,

I, E. S. most humbly and very respectfully beg to inform your benevolent honor that I have been serving in the Public Works Department from 1st January 1865, as particularized in the Service statement or Enclosure No. 1, on a salary of Rs 10 to 30 in both permanent and temporary situations but I having not been paid any gratuity at the time of abolition of Upper Godavari Works, the present Examiner has informed the Superintending Engineer 1st Circle, that the ruling of Madras P.W.D. Code para 182 does not apply in my case to gain promotions upto my former position of Rupees 30 and that an order of Government is necessary for the purpose under Madras Pub. Code para 173.A. Under this impediment I have lost the grading promotion post of Rs 20 to 30 that was reserved for me by the late Executive Engineer C. Mitford Smith Esquire as the Supg. Engineer has not pleased ultimately to refer the matter to Government solely for the reason that they would perhaps decline to sanction his recommendation made vide Enclosure No. 2.

Fortunately

Fortunately for me, the Government having proclaimed a ruling in G.O. No 2012 W. dated 14th August 1894 that such representations may be sent on for decision through heads of departments I have now taken the liberty of begging the Government to kindly consider my case as the real cause for the non-payment of gratuity can be gleaned from Enclosure No 3.

I moreover beg to state that the Government have lately been pleased to issue a general Exemption order from Examination on behalf of Certain Revenue department Clerks of Upper Godavari who were on receipt of Rs 15 and 20 while my salary was at Rs 30 with much responsibilities vide Encl. No 4. Besides this, the D.P.W. Clerks of Upper Godavari (my contemporaries) who were transferred to Lower Godavari with Madras G.O. No 1309 dated 8th May 1875 were not disqualified under any Examination rules as to passing their salaries and their further promotions although they were unpassed men like myself the difference being that they were drawing Rs 20 and upwards on the establishment retained in abolition of Upper Godavari Works.

The concessions thus granted might be made applicable in my case too, as having lost my storekeeper's post of Rs 30 in the same abolition and sent to General Fischer's Office in 1872 by General Haig the Founder of Upper Godavari Works i.e. immediately before the above Clerks were so transferred. Had I been transferred later on with the other Clerks, I would have been on the same footing as they.

The Clerks who were so benefitted served only

within

within a distance of 120 Miles up the river, and as regards myself I have been sent up to distances of about 360 Miles into the jungles, and whereby, I have undergone many difficulties, loosing several Members of my poor family, who fell victims to the merciless climate of that part of country. The remaining souls are still often falling sick owing to the remnants of fever &c which have not left them up to this time.

I furthermore beg to add, that the ruling in paragraph 32 of the Uncovenanted Service Vade Mecum may also entitle me to the exemption sued for.

Under all the reasons represented, I beseech your honor's generosity will graciously be pleased to kindly persevere on my poor behalf, and to thus protect my helpless family, who are in the dilemma of starving.

I beg to remain
Most honored Sir
Your Most Obedient and humble Servant

Sir,

With reference to your No. 272 G.D. dated 27th April 1892, I have the honor to state, that the appointment held by Clerk G. Sivabharanam prior to 1872 cannot be traced from the audit registers. He was probably employed in the Central Provinces previous to his employment in your Office. His service prior to 1872 was apparently temporary as he received no compensation gratuity when brought under reduction of establishment in August 1872.

Under these circumstances it seems to me that Code para 182 does not apply to his case and that sanction of Government is necessary under Code para 173A.

I have &c.

"Memo"

I was present when Colonel Haig the then Superintending Engineer Upper Godavari went suddenly to Calcutta in 1872 and told G. Sivabharanam that he would send him a letter to Colonel Fischer Superintending Engineer Lower Godavari District to entertain him in his Office so as to continue his service.

Colonel Haig sent the letter for Colonel Fischer and G. Sivabharanam took it to him and he employed in this District.

× The above is the reason that when the establishments were broken up no application for gratuity or pension was made on account of G. Sivabharanam having obtained employment in Colonel Fischer's Office.
