PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—again Proceedings of the Board of Revenue (Land Revenue), dated 23rd November 1894, No. 512.

ABSTRACT.—Communicating to the Collector of Nilgiris Government Order stating that C. V. Krishna Rao, second clerk, Head Assistant Collector's office, can appear for all the Special Tests except the Revenue Higher and the Criminal Tests, and requesting all Collectors to report whether the concession granted in Government Order, dated 2nd December 1886, No. 1059, Revenue, may now be withdrawn.

READ—also file of Collectors' replies to Board's Proceedings, dated 23rd November 1894, No. 512.

RESOLUTION—dated 1st June 1895, No. 177.

The Board begs to submit its reply to Government Order, dated 15th November 1894, No. 865, Educational, enquiring whether the concession, under which Collectors have been permitted to appoint persons who have not passed the Revenue Test (Lower) to temporary vacancies in the grade of Revenue Inspector, might not be withdrawn.

Ganjám	South Arcot.	the seven districts noted in the margin, passed candidates are always available and that no difficulty is therefore anticipated in the remaining districts in filling up temporary vacancies. The Collectors of
Vizagapatam.	Nilgiris.	
Górávari.	South Canara.	
Kurnool.		

the excepted districts urge the following reasons in favour of the entire or partial continuance of the concession. In Ganjám, there are a few passed men, but most of them are physically unfit for out-door work. They are further unwilling to take up Revenue Inspector's appointment. In Vizagapatam and Kurnool and in the Agency tracts of Górávari there is a paucity of passed men. In the last of these districts passed candidates are available in the plains who will not take up appointments in the Agency tracts for fear of being attacked with malarious fever. In South Arcot passed men can be found, but the number of those who will eventually rise to responsible positions is still small. In the Nilgiris difficulty is anticipated in obtaining qualified persons who know Malayalam for appointments in the South-east Wynaad, but the Collector proposes to apply for exemptions as cases arise. In South Canara the Collector wishes to introduce the non-Brahmin element more largely into the grade of Revenue Inspectors and would for this purpose continue the concession for some time.

3. The Board considers that the concession may now be withdrawn except in the following districts or portions of districts:—

Ganjám, Vizagapatam, the Agency Tracts of Górávari, Kurnool and South Canara.

BOARD OF REVENUE (LAND REVENUE), 1ST JUNE 1895, No. 177.

The Board has not included South Arcot in the list of tracts to be excepted as it is of opinion that the difficulty experienced by the Collector may be overcome by inviting applications from the neighbouring districts.

4. In this connection, the Collector of South Arcot recommends the relaxation of Government Order, dated 20th October 1893, No. 918, which limits the proportion of persons who may be deputed to undergo a course of training in survey to one-fifth of the number of Revenue Inspectors in each district. The Collector will be referred to Government Order, dated 3rd September 1894, No. 3441, Revenue (copy now furnished) in which a similar request made by the Collector of Malabar was negatived by Government on the ground of expense.

APPENDIX.

Government Order, dated 3rd September 1894, Mis. No. 3441, Revenue.
Read—Proceedings of the Board of Revenue (Land Revenue), dated 13th August 1894, Mis. No. 4471.

ABSTRACT.—Submitting for the orders of Government letter from the Collector of Malabar requesting permission to train some more men in survey for the post of Revenue Inspectors in the district.

Order—dated 3rd September 1894, Mis. No. 3441, Revenue.

It is observed from the Collector's letter that he has seven trained men at present who are qualified for Revenue Inspectors' posts and this number will probably suffice for recruiting any vacancies during the next two years. Accordingly his proposal to send more men for training does not commend itself to Government as it involves additional expenditure which is unnecessary now, although it may effect some saving in future years.
