His Excellency the Right Honorable
Lord Wellesley, G. C. S. E.
Governor and President
in Council
Fort. Saint George

The humble memorial of the Sriya Sristikarnaud
residing in allipore near Visapattinam in Visapattinam
District.

Most Respectfully Sheweth,

That from the notification published in the
Visapattinam District Gazette under date 14th March
1894 by the Inspector of Schools Northern Circle, Your
Excellency's Memorialists understand that the
Sristikarnaud of this District who are in no way
in a higher level than those of the Ganjam District
are excluded from enjoying the benefits of Scholarships
graciously allowed under the Government Notification
No. 31 Dated 26th 2. 1892. To add to the present
deteriorated condition of this wide-known poor
and backward class, Your Excellency's Memo-
rialists regret to state that the notification has
now become a decided obstacle in the way of ex-
pected growing improvement and Your Excellency's
Memorialists are now left helpless again.

That against which Notice

Your Excellency's Memorialists respectfully submit
their humble appeal for favor of Your Excellency's
kind consideration and request the Enclosure
now partly left to the Brigas may be extended
to the whole class as hitherto graciously allowed
under the following grounds.

3 That it is a known fact that almost
all classes of India with the exception of Brigas
and Mahomedans have derived the benefits
of British Government and they are all in a
position prominent in education civilization
and in all other respects. It is under the
same reason Your Excellency's Memorialists
were so glad to receive encouragement, that
the Government were pleased to sanction
Scholarships and half rates of School fees &
to enable them to prosecute their studies, they
having been recognized as backward classes,
and the Brigas Trustees of this District
have been enjoying such benefits for a long time.
The highest examination passed among this class
is Matriculation up to 2 years ago. Subsequently
two Candidates passed the F.A. Examination
in 1892 and the others in 1893. Had it not
been for the Scholarships which they have received
after passing the Matriculation examination, they
could not have been able to prosecute their studies
for that examination.

4 That the British students of this District
are very poor in pecuniary circumstances and
they have no means of continuing their studies in
order to acquire higher education. A few of them
are at present able to come up with much
difficulty as far as Matriculation class and
find as a rule a sudden and permanent
break of studies at that stage for no other reason
but for want of pecuniary aid. The number of
British students of this District as your
Excellency's Memorialists roughly calculated
is between 6 and seven thousand of which
your Excellency's Memorialists regret to say
only about ten passed Candidates in numbers
are employed in the Government Service throughout
the District almost all being Clerks drawing
Rs 10, 15 and so on.

5 That the Brigas Trustees of this
District having prayed the Government to
order that preference may be given to passed
Brigas Candidates in bestowing employment
in Government Service, the Government were
pleased to issue G.O. No. 521 Dated 9.7.1891
in connection, after taking the opinion of the then
Director of Public Instruction which is also
printed in the Government order:

6 That the Mother-tongue of the Trustees
of

4. This District is still Oriya and they speak Oriya at their homes, their children being unable to understand Telugu until they come up to the age of 7 or 8 years. There having been Oriya Schools as he established at important Stations, they are unable to read and write Oriya. They had asked more than 2 years ago for some Oriya Schools to be established at important Stations like the present Mahomedan Schools but no reply was given to it. Is it impossible to expect Bristolkarnams of this District to read and write Oriya in the absence of Oriya teaching Schools in this District.

7. That many of the Mahomedans of this District who are entitled to the benefit of Scholarships are unable to read and write Hindustani and consequently a number of Mahomedan schools were established for them. Most of them are unable to speak their own mother tongue. Every effort is being made to increase the number of the Mahomedan Schools whereas not even a single school is established for Oriyas (Bristolkarnams).

8. That the Bristolkarnams of Chicacole also do not know to read and write Oriya and they have been treated as Oriyas for the purpose of Oriya Scholarships but he was pleased to give the enclosed endorsement

Instruction No. 2493 Dated 6th April 1888, which has been communicated to all the Principals and Head Masters of this District with the then Inspector's endorsement No. 129 Dated 20th April 1888

9. That the four fathers of the Bristolkarnams of this District came and settled down here from Orissa and neighbouring hill tracts. An Oriya pamphlet called 'Uppala Desh' published at Cuttack was submitted to the Director of Public Instruction with your Excellency's Memorialist's petition appealing against para. 4 of the enclosed copy of notification but it was not returned.

10. That the Customs followed by the Bristolkarnams are exactly after Oriya fashions such as females observing Shikha and marriage ceremonies being performed for 7 days &c, and under no other names they could be separated from the class known as Oriyas and they are therefore equally entitled to each and every privilege granted to Oriyas.

11. That your Excellency's Memorialist has prayed the Director of Public Instruction that they may be treated as Oriyas for the purpose of Oriya Scholarships but he was pleased to give the enclosed endorsement

15. That under the Circumstances
 Your Excellency's Memorial to be humbly
 pray Your Excellency will be graciously
 pleased to order, after a searching enquiry

Sir,
In reply to your N^o. 1708, dated, 27,
August 1893, I have the honour to state
that I do not see how Shristakart-
nams can be excluded from the
designation of Vriyas without the order
of Government. I think, however, that
to allow them to hold the scholarship
would do away with the end. They are
intended to work for.

In returning herewith your endorsement
N^o. 1230 dated, 5th instant, on letter N^o. 170.
dated, 27th ultimo, I have the honour to state
that Sristikamams in my division are
pure briyas and are very backward
in obtaining the benefit of English
Education. In my opinion they surely
deserve encouragement. I am induced
to think that M.R.Ry. G. S.

gave his opinion, in view the type of
Sristikamams of the Southern
portion of this District and of

the collector concurs with the Deputy

him. The Sistukarnams living in
the South of the District seem more
like Telugus than Oriyas owing to
their association with the former,
though in point of education they are
on a level with the latter.

No. 155

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour to return herewith
Government Enclosurement, N^o. 2271, dated
19th November 1894, on a petition from the
Sishtikarnams of the Vizagapatam
District praying that they may be
treated as Oriyas for the purposes of
the Government Oriya Secondary School
scholarships and to report as follows
2. In submitting his report on the
state and progress of education in
the Ganjam District for 1891-92, the
Assistant

Assistant Inspector of schools, First
Division, recommended that Srihtikaranams
should not be placed on
a level with pure Vinyas in the
matter of scholarships, as they had
long ago disconnected themselves from
Vinyas and virtually become Telugus
in every respect. I thereupon requested
the Inspector of schools, Northern
Circle, to ascertain and report the
views of the Collectors of Ganjam
and Vizagapatam on the subject. The Inspector,
accordingly, submitted his report N^o. 2/685,
dated, 30 September 1893, enclosing the Collectors'
letters in original. I beg to submit
herewith copies of the Collectors' letters
for

for information. From a perusal of them
Government will observe that the Collectors
are at one with the Assistant Inspector
so far as the Srihtikaranams of the
Vizagapatam District are concerned. In
these circumstances and in view of the
fact that the scholarships in question
are intended only for the benefit
of pure Vinyas, I concurred in the
view of the Collector of Vizagapatam
and instructed the Inspecting officers
to make their future recommendations
for Vinya Scholarships consistently with
that view.

I have the honour to be,
Sir,
