OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 6th July 1895.

No. 7191

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In their letter No. 278 dated 25th August 1892, communicated with G.O. No. 681 dated 19th September 1892, the Government of India decided to await the receipt of the proposals of the Madras Government for the reorganization of the Educational Department before addressing the Secretary of State for the admission of Mr. Brander and Miss Carr to the favourable rules contained in Chapter XIII of the Civil Service Regulations. The proposals of the Madras Government have long been before the Supreme Government and I am not sure whether the

the final recommendations of that Government have been submitted to the Secretary of State. In its order No. 33, dated, 21st January 1893, Educational, Government was pleased to observe that it regarded as very important and desirable that all officers of the Imperial, that is, European Education Service, should be admitted to the benefit of the favourable leave rules in Chapter XIII of the Civil Service Regulations and the Government of India has raised no objection to the proposal. But in view of the possible or rather the probable breakdown in the health of the two Inspectresses and the serious consequences that this would entail on female education, I would again urge on Government the absolute necessity of the concession being granted to them without further delay. They have very ^{are} travelling, being on tour for some eight ^{to} in the year and their administrative

administrative work is also very heavy. It is not necessary for me to remind Government that each of the Inspectresses has a territorial jurisdiction equal to that of two Inspectors. Gentle men find touring in all weathers sufficiently hard to endure, how much harder must it be for ladies! After ten years' service each of the Inspectresses enjoyed one year's furlough; and each of them must now serve eight years - before the next furlough falls due. Unless the concession I am now soliciting be granted, their health will break-down and their valuable services will be lost to the State.

2. As it is not known when the Secretary of State's order on the whole question will be received, I have the honour to request that the Government of India may be moved to seek the special and early sanction of the Secretary of State for the admission of Mr. Brand

Brander and Miss Carr to the benefit
of the favourable rules referred to.

3. In the letter from the Government of
India, No. 278, dated, 25th August 1892,
that Government declined to forward
the application on behalf of the two
Inspectresses because the Secretary
& State had decided to postpone
similar proposal in favour of Mr.

Hall. But I respectfully submit that
the cases are not similar in their es-
sential features. Mr. Hall is a strong,
well-bodied ^{man}, and, not being a touring
man, he is not exposed to the fatigues
and dangers of travelling. He can
well afford to wait until the whole question
the future constitution of the Department
is

is settled. The Inspectresses cannot afford
to wait; and I earnestly hope that, both
for their own-sakes and for the sake of
female education, the Government of
India will be pleased to recommend to
the Secretary of State that the concessions
now prayed for be speedily granted.

I have the honour to be,

Sir,

Your most obedient servant,

J. Duncan

no. 555 & the letter to the

In this letter the Govt of
India was addressed regarding
the admission of Mr Brander
& Miss Carr, the inspectors
of girls' schools, to the favourable
leave rules contained in Chapter
XIII of the Civil Service Regulations.
But that Govt decided to
await the proposals of this
Govt for the reorganization
of the Ed. Dept before
addressing the Secy of State on the
subject, on the ground that
the Secy of State had decided to
postpone a similar proposal
in favour of Mr Wall, of the
Teachers' College.

The D.P.I. now brings the matter up again & says that the proposals for the reorganization of the Ed. Deptt have long been before the Govt of India & it is not certain whether their final recommendations have been submitted to the S of S. He therefore urges the absolute necessity of the concession being granted to them without further delay, in view of the possible or rather the probable break-down in their health & the serious consequences that this would entail on Female Education.

The D.P.I. points out that the Case of Mr Hall, ^{referred to &} pointed out by the Govt of India, & that of these ladies are not ~~entirely~~ similar in their essential features. Mr Hall, he says, is an able-bodied man, & not being a ~~touring~~ touring officer, he is not exposed to the fatigues & dangers of travelling. In the circumstances stated by the Dir., orders are solicited as to whether the Govt of India may ^{not} be addressed again on the subject.

Sir,

I am directed to forward
herewith copy of a letter from the Director
of Public Instruction, Madras, in
which he recommends the immediate admission
of Mrs. Brander and Miss Carr, Inspectresses
of Schools in this Presidency to the favourable
leave rules contained in Chapter 13 of the Civil
Service Regulations. I am to invite attention to my
letter No. 556 dated 25th July 1892, in which the
reasons for this proposal are fully set out and to
Mr. Luson's letter No. 278, dated 25th August 1892 which

stated

Admission of the Inspectresses

stated in reply thereto that the Govt. of India had decided to await the receipt of the Madras Govt's reply to Home Dept. letter No. 129 dated the 26th March 1892, regarding the future constitution of the Educational Dept. in the Madras Presidency before addressing the Secretary of State with reference to Mrs. Brander and Miss Carr. I am to point out that the proposals of the Madras Govt. with regard to the ^{reorganisation of the} Educational Department were submitted to the Govt. of India with my letter No. 831 dated 13th November 1893 and ^{that} the further postponement of the grant of the concession solicited is to be deprecated on the ground that it may possibly result in ^{injury to the} ~~the break down in the~~ health of one at least of the two Inspectresses. Mrs. Brander's total service amounts to nearly 15 years and she has as yet enjoyed only one year's furlough. It is more than ^{four} 4 years since she returned to India from this and under the rules which at present regulate the grant of leave in her case she must serve another 4 years before she is entitled to take furlough. The duties of the Inspectresses are extremely

extremely arduous and a break down in their health would entail serious consequences to the progress of female education. I am therefore to ^{inform the} ~~state~~ ^{Government} His Excellency the Governor-in-Council ~~earnestly trusts~~ that the Govt. of India will be able to recommend to the Secretary of State the speedy grant of the concession sought on behalf of these ladies.
