See

I have the honour to request that a redistribution may be made of the wages given to the two gardeners in this establishment. The present arrangement is to give Rs 6 per mensem to each gardener but it would be much more satisfactory if Rs 7 were given to one and Rs 5 to the other. By this means the services of a maistry gardener may be procured and a man under him to do the rough work. By the present arrangement cooly gardeners only can be employed who know little of gardening.

Note

The pay of each gardener is
Rs 6 per mensem, & the D.P.D. now
wants it to be distributed as Rs 4

the persons now drawing Rs 6 will have
to be given only Rs 5. This will
be rather hard for the man.
