His Excellency, the Governor of Madras
in Council.
Most Respected Sir,
I most humbly and
respectfully beg to bring the following few lines
expressing grievances of mine to your Excellency's
kind and just notice with the hope that they
may be redressed.
In the Public Service Notification
dated 29th May 1894, our benign Government
has been kind and gracious enough to make
provision for Mohammedan Matriculates, taking
into consideration their poor and backward
condition - to appear for Terminal Higher Exami-
nation for two years to come, along with the
Hindu Graduates and H. As. Having taken
advantage of this, I appeared for the Terminal
Higher Examination held in October 1894. I was
earlier part of February (i.e.) nearly 4 months
after the first Examination, I received a new di-
gram

In 1893, I appeared for both Criminal Higher and lower examinations, I passed in Criminal lower but failed in Higher - not in Medical Jurisprudence but in Evidence Act (with mark-book of January 1894)

In 1894, I appeared for Criminal Higher. It is quite astonishing to see that a man failed in Medical Jurisprudence, who obtained creditable marks on the 3 previous years in the very subject.

I now, therefore, most humbly beg to request that the Government be pleased to ask the Commissioner for his examinations his reasons for this special re-examination and also to send for my answer papers in the Medical Jurisprudence and have them re-examined by any highest man other than one who has already marked them, under the immediate orders of Government, the expenses for this indication I am ready to undergo, for, I trust humbly beg to submit that I am quite sure that I would have got more than 50 per cent. of the aggregate no. of marks, and it is really too hard to punish one who has taken so much pains & has answered so well, notwithstanding his pecuniary difficulties; for, I cannot afford to appear for this examination again.

In this act of kindness & charity, I shall be ever most grateful.

I beg to remain
 Most Respectfully,
 Your most obedient servant & dependent
 Mohd. Ali

CHIEF SECRETARY
6 JUL 1895
GOVERNMENT OF MADRAS

The humble memorial of Syed
Ghyasuddin, a candidate for the last Judicial
Test Examination Criminal Higher Grade

Most humbly sheweth:-

That your Excellency's humble
Memorialist was one of the Candidates for the
Criminal Higher Grade Examination held in Oc-
tober 1894; that he had done well in all the
subjects of the Examination and was sure of suc-

2 That four months after the Examination
Your Excellency's humble Memorialist, to his great
surprise, received a memorandum from the Commission-
ers Office to that effect that the Commissioners were
not satisfied with the trustworthiness of the last
Criminal Test Examination. Syed Ghyasuddin
requested to attend the re-examination

Why other Candidates who secured higher number of marks were left unexamined.

5. That your Excellency's humble Memorialist was re-examined only in two subjects (Evidence Act & Medical Jurisprudence) and no reason is assigned why there was no re-examination in the other subjects as well. Your Excellency's Memorialist appeared three times for the Pleadership Examination but on none of the occasions he failed in those two subjects.

6. That, in short, it was not at all mentioned by the Commissioner what necessity there was for the re-examination of a limited number of Candidates though the Commissioner was addressed on the subject.

7. That your Excellency's humble Memorialist begs to represent that the benign British Government has allowed one year to study for every Examination, and the object seems to be that a Candidate should appear for the Examination thoroughly prepared. In this case your Excellency's humble

Memorialist received the Memorandum for the re-examination four months after the first examination, and the re-examination was held within three weeks after the Memorandum (a time quite insufficient for re-Visiting the books even).

8. That: in spite of all difficulties and inconvenience, the Memorialist appeared for the re-examination and did well, but to his further misfortune, he received another Memorandum from the Commissioner's Office on the 5th June 1895, to the effect that he had failed in the Medical Jurisprudence. Your Excellency's Memorialist did well both in the Evidence Act and the Medical Jurisprudence although the question paper in the latter subject was a most difficult one. He has been taken by surprise to learn that he failed in Medical Jurisprudence.

9. In the requirements of the public justice
Your Excellency's humble Memorialist would

request that his answer paper in the subject
in which he is stated to have failed, be or-
dered to be examined by any Medical person
of any other Presidency.

10. That even granting that your Excellency's
humble Memorialish failed for 2 or 3 marks
in the subject, it would not be strange, considering
the shortness of the period of 3 weeks between
the receipt of the Memorandum and the re-
examination.

11. That, as the steps taken by the
Commissioner for the re-examination of a
limited number of Candidates without
any just Cause shown for it, is against
justice, Your Excellency's humble Memorialish
therefore prays that justice be done to him
and he be declared as a successful
Candidate in the Examination held in 1894
or the Examination held in 1894 be considered as
null and void.
