“With reference to the Proceedings quoted in the margin I have the honour to submit herewith a list of inferior servants (Petty officers) in this Division who are considered to be deserving of promotion to Sub Inspectors, and to request if the Board sees fit that the sanction of Government may be obtained at a very early date for their exemption from the

The list
of names of English N. Good.
of the shape of the list. Extract
from examination rules.

All along and during the time I have been in the circle I have always found him honest, capable and a good detective officer. In fact he has a liberal knowledge of the forest in the circle. He is a keen and by dint of his good work got into the only 1st grade promotion in the circle. He has not passed any examination but he knows English as well as any other person in the circle and is the brother of a high Inspector. He is a very good and himself been doing good work and has been recommended for promotion. I am fully happy to submit that it is rather disappointing to the petty officers if he is not given a chance of promotion. He is a very good and excellent work all along. He has continued good work he has been recommended for an increase in his salary. He has been recommended for an increase in his salary and twice by his superior. He is therefore strongly recommended for promotion from examination rules.

Has stood first in the circle in detection, borne excellent character, knows English well.

the examination rules so as to enable me
to appoint them as Sub Inspectors in the
coming Tree-Tax arrangements.

According to the proposals sanctioned
by Government for the extension of the
Tree-Tax Scheme to all the remaining Talukas
in the Tamil Districts of this Division from
1st October next, not less than 56 Sub Inspectors
exclusive of more than a dozen clerks,
have to be appointed. I am afraid
that I shall not be able to get the
required number of competent men from
the clerical staff and outsiders whose
names have been and are being registered
in this office. I have little doubt that
the Petty officers now selected by me
for exemption will prove to be quite as
good Sub Inspectors especially in Tree-
Tax

Tax areas as fresh men about whose
character nothing is known and of whom
whose only qualifications are educational.

Resolution.

Submitted to Government with
reference to para 2 of Government
Order dated 3rd February 1894, No 69,
and with the recommendation that
the 8 men mentioned by the Deputy
Commissioner in the list received
with the paper read above may
be exempted from the examination
rules in view to their being
appointed
