READ—the following papers :—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated 28th June 1895, No. 6938.

On a proposal made by the Government Agent, Gódvári, to the Superintending Engineer, I Circle, Government in its Order, dated 21st November 1894, No. 2986 W., sanctioned the transfer of the building known as the "Police station house at Jaddangi" to the Revenue Department for use as a public bungalow. The Government Agent, Gódvári, now writes to me to say that the said building cannot be conveniently used as a public bungalow and requests me to obtain the sanction of Government for its transfer to the Educational Department, as a building is urgently needed for the Government Primary school at Jaddangi which is now being held in a rented shed (*códé* the enclosed copy of his endorsement No. 671 Agency, dated 21st January 1895, on letter from the Special Assistant Agent, Gódvári, No. 757, dated 11th December 1894). The Inspector of Schools, Northern Circle, to whom I referred the matter, is also of opinion that the building in question may be taken over for use as a school-house. I have the honour, accordingly, to request that Government will be pleased to sanction the transfer of the Police station house to the Educational Department.

ENCLOSURE.

From the Government Agent, Gódvári, dated 21st January 1895, Ref. No. 671 Agency.

It was originally a police station house and its transfer to the Revenue Department was sanctioned in G.O. No. 2986 W., dated 21st November 1894. He is further requested to sanction a sum of Rs. 61 (including the charge of Rs. 5 incurred for removing the tiles) for repairing the roof of the building in question.
