according to the revised distribution list furnished by the Director of Public Instruction on the 1st July, under G.O., dated 6th May 1895, No. 376 Financial. The Superintendent has drawn the attention of the Director of Public Instruction to the few subscribers to Part I - B, and he intends issuing a circular, with a view to increasing the circulation of this part.

3. The undersigned submits that if the issue of this part is continued there will be a probable saving of Rs. 152/- in printing and Rs. 93/- in the cost of paper for each quarter, as the number of copies of the full Gazette has been reduced by the Director from 1st instant.

4. The Superintendent is unable to submit a final report on the subject, the time allowed being very short. If Government is pleased to extend the time to the end of this official year he will then submit a further report showing the savings effected by the change, and the new subscribers

obtained by the circular from the Director of Public Instruction. The distribution list of this part is herewith submitted for information.
