HIS EXCELLENCY

THE GOVERNOR IN COUNCIL,

FORT SAINT GEORGE,

MADRAS.

THROUGH THE COLLECTOR, KISTNA DISTRICT.

The humble memorial of Dulla Narayanappa now an acting accountant in the Collector's Office and lately a thrown out Government Servant of the Kistna Collectorate Masulipatam.

MAY IT PLEASE YOUR EXCELLENCY,

That your Excellency's humble memorialist passed the General Test Examination in the year 1877 and was entertained in the Kistna District Collector's Office in October 1878, where he held several acting appointments and so continued till December 1883, when he was appointed to one of the permanent process clerkships created under G. O. No. 2334 Financial, of 18th October 1883 and posted to Gudivada, one of the Taluks of the District. When this appointment was conferred on your memorialist, his age having exceeded 25 years, the Government of Madras, in their order No. 3252 dated 30th July 1884, were pleased to exempt him from the operation of the age rules in consideration of his long service of 5 years in the acting appointments in the office. (copy of the Government order enclosed herein.)

2 That while Your Excellency's memorialist had served for more than a year in the pensionable appointment above referred to, his services were dispensed with on the public ground—the reduction of the process establishment. With this, your memorialist's service ceased; his case was never afterwards considered, he having had no patrons in service to advance his claims and he was refused even the ordinary concessions generally given to thrown out servants by providing him with a permanent footing whenever any suitable vacancies occurred.

3 That on one of the several applications of your Excellency's memorialist to the then Collector of this District Mr. M. R. Weld was pleased in 1885 to direct the Divisional Officers of the District to see that your memorialist was duly provided with an appointment in any of the Taluks of the District but to his misfortune he was not given any permanent post. He was however occasionally provided with

4. Thus years have rolled on and now at last has come the crushing order of Government No. 56 dated 29th May 1894³¹⁷ under which your memorialist, is permanently incapacitated for appointments in public service carrying a salary of Rs. 15 and upwards.

5. That as an example of the keen disappointment which your memorialist has often met with, he respectfully begs to submit that the last acting appointment which he held was in the District Munsiff's Court at Masulipatam and it extended up to 30th June 1894. The same permanently fell vacant only two days later that is on the 3rd July 1894, but your memorialist was refused the appointment under the G. O. quoted above in para 4, as he did not continue holding the acting appointment during the short interval of two days herein referred to. As to the satisfactory manner in which your memorialist discharged his duties, he begs to enclose a copy of the testimonial granted by the District Munsiff, Masulipatam.

6. That your memorialist duly qualified himself for public service under the rules then in force and had also the fortune of being entertained in a permanent and pensionable post but suddenly the fortune wheeled round and he lost his permanent footing through no fault of his but in consequence of the reduction of establishment and notwithstanding that your memorialist patiently awaited the pleasure of his superiors to be provided with a suitable permanent footing for the last 8 years nearly he has simply met with disappointment throughout for want of support and his fate is now sealed for ever under the latest Government order unless he has the rare fortune of moving the generous and just heart of your Excellency to give a special concession in his exceptionally hard case.

7. That his father served in the Revenue Department for a period of nearly 40 years and died before retirement while being English Head Clerk in the Collector's Office on Rs. 150 per mensem and his uncle also died while he was a Tahsildar in this District and your memorialist had not the fortune to get a footing even in the arrangements consequent on their deaths.

8. That all members of your memorialist's family having held public employments exclusively and having known no other profession, your memorialist was not trained up for any, other than the public service and he has consequently to eke out his living only from public service.

9. That under the benign English Government several individuals not duly qualified for service have been exempted from the operations of the rules in force and were raised to very important positions which they could not have dreamt of but for such exemption; but unfortunately for your memorialist, even the fact of his having passed a qualifying test and his having held a permanent post which was abolished on public grounds had not been serviceable.

10. Your Excellency's humble memorialist however ventures to think that he can reasonably pray for exemption from the rule excluding candidates who have passed the late General Test Examination from superior appointments after 30th June 1894, in as much as the rule speaks of only individuals newly to be entertained in service but not of those who were once attached to the permanent staff and whose services were dispensed with in consequence of reduction of Establishment.

11. That your Excellency's humble memorialist, in conclusion most respectfully and humbly prays that on a consideration of the very peculiar and unfortunate nature of the various circumstances of your memorialist's case, he be, as a sheer matter of grace and mercy, shown a special concession and declared eligible for entertainment in public service for appointments of Rs. 15 or upwards taking also into Your Excellency's gracious consideration the following particulars in his favor:—

- (I) That he passed the General Test Examination.
- (II) That he would have been quite eligible for confirmation if the acting appointment which he last held (para 5 above) had been permanently vacated *only two days earlier* or had he been made to act *only two days longer*.
- (III) That he held for some time a pensionable appointment but lost the same, not through any fault of his, but in consequence of reduction of establishment and for that matter he ought to have been, as a matter of justice, provided with a permanent post.

For which act of generosity and justice, Your Excellency's memorialist, as in duty bound, shall ever pray.

Your humble memorialist,

Enclosure No.

The bearer Dulla Narayanappa was an abolished clerk in the Revenue Department. He was appointed to act several times for clerks and process amins on Rs. 15 salary in this Court (District Munsiff's Masulipatam) during the last 2 or 3 years. He has passed the old General Test but I am sorry that under the recent public rules he is disqualified for posts of Rs. 15. He is a clever clerk particularly in the Vernacular and he is reported to me by his superiors to have properly discharged his duties during the acting periods in this Court. His case is indeed a hard one but to grant him justice is not in the power of the local officers.
