The Honorable H. W. Hunt, C. S., C.I.R., * the then Commissioner in his recommendation to the Conservator of Forests, Northern Circle, (his endorsement, No. 1494, dated 24th February 1883) said :—

"The applicant can be recommended as a very steady, hard working servant. He would have been promoted long ago but for his not having passed."

* This officer (under whom the candidate Pattinson was in direct contact while on long circuits throughout the Madras Presidency in 1879 and subsequent years) was highly pleased with your candidate Pattinson's hard work and intelligence displayed so as to even anticipate the idea of exempting him. Enquiries were also instituted as to the candidate's percentage, position in the social scale, conduct in the public service, &c., and these were found satisfactory. This occurred at Coimbatore during the time of Mr. A. Krishnaswamy Iyengar's tenure of Office as Head Clerk (now Assistant Commissioner of Salt and Alkali Revenue, South Sub-Division.)

Mr. A. P. Russell, Acting Assistant Commissioner, Chingleput Sub-Division, in forwarding petition for exemption wrote in letter No. 5293, dated 8th November 1887, to the Deputy Commissioner, Central Division, as follows :—

"He has been in this Division since 1885, and from all accounts, has given every satisfaction and has lately been promoted to a temporary post on Rs. 20."

Mr. J. A. P. Sneyd, Deputy Commissioner, Central Division, passed orders thereon in his Proceedings, No. 2542, dated 15th November 1887, thus :—

The Deputy Commissioner would like to have Mr. Dittmar's opinion regarding the man and his work prior to recommending for exemption asked for.

Mr. F. W. Dittmar, Assistant Commissioner, Chingleput Division, in support of Mr. Russell's recommendation stated in his letter, No. 10, dated 24th December 1887, to the Deputy Commissioner, Central Division :—

"I have formed a high opinion of the Clerk referred to and that his conduct has been satisfactory ever since he was posted to this Division. He is an intelligent energetic Clerk and in my opinion deserving of and qualified for exemption."

Mr. A. P. Russell, Assistant Commissioner, Chingleput Division, in reply to an Objection Statement regarding the salary of Rs. 20 wrote on 21st March 1890, to the Board of Revenue (Separate Revenue.)

"The Clerk in question has got a service of 16½ years in this Department and has been in the Assistant Commissioner's Office for 4 years, from April 5, 1886. Considering the good service he has rendered, it is specially requested that he may be permitted to continue in the same appointment during the current year. The Clerk has been drawing Rs. 20 from the 25th January 1890."

Mr. A. P. Russell, Assistant Commissioner, Chingleput Sub-Division, in recommending for an appointment of Rs. 20 endorsed as below, in his letter, No. 1799, dated 28th May 1890, to the Deputy Commissioner, Central Division :—

"As it is most important to have a man who can maintain and handle the records properly, I would like to keep B. Krishna Row for the work as he thoroughly understands it, for, if it is given to a new man the work of the office will be greatly impeded as the dispatch of business depends upon the state in which the records are maintained to a great extent."

"B. Krishna Row is an uneducated man, but has 16½ years' service, is intelligent and writes a good hand, and I think his case is deserving of special consideration. I do not seek to exempt him generally from the examination rules, but beg that the Board be asked to move Government to exempt him so far as the pay of this particular post (viz., Rs. 20) is concerned."

Inspector, Madras Town Circle, Mr. J. R. Wilson in his Endorsement, No. 124, dated 20th January 1891, on the application for employment in the Board of Revenue, Land Revenue, forwarded through the Deputy Commissioner, Central Division, wrote as follows:—

"The applicant now draws Rs. 15 in this (Madras Town) Circle. He was lately transferred from the Chingleput Sub-Division Assistant Commissioner's Office and has worked in my office since September last. In this short period he has shown himself a very intelligent, hard working and painstaking man. He writes quickly and his writing is excellent. I consider him well qualified for the post he seeks; had he not put in this application, it was my intention of bringing him to the Deputy Commissioner's notice with the hope of his being exempted and given a Sub-Inspector's post; he excels many passed men whom I have had to deal with."

Inspector, Madras Town Circle, Mr. J. R. Wilson, in his recommendation to the Deputy Commissioner, Central Division, for exemption expressed the following in his letter, No. 793, dated 11th May 1891:—

"I have the honor to state that the opinion expressed by me in my Endorsement made in forwarding a petition from B. Krishna Rao to the Land Revenue Department is still the opinion I hold of this man and consider he would make a good Sub-Inspector if he is granted an opportunity."

The Board of Revenue in supporting the above recommendation wrote to Government in the following terms:—

"Submitted for the favorable consideration and orders of Government in consideration of Board's Proceedings, dated 1st May 1891, No. 1412, Miscellaneous. The Clerk in question has had 12 years' service and is reported to have a good character. The Board considers that his case is deserving of special consideration and would recommend that he be exempted from the Examination Rules in view to his being appointed an Increment Sub-Inspector."

Mr. J. R. Wilson, Inspector, Madras Town Circle, in his recommendation on application for employment in the Sea Customs Office endorsed in No. 1954, dated 2nd November 1891:—

"Forwarded (a petition from B. Krishna Rao) to the Collector of Sea Customs for favorable consideration. The Clerk is a very good man and deserves every encouragement."

Inspector, Madras Town Circle, Mr. J. R. Wilson in his letter to the Deputy Commissioner, Central Division, when the place of a Sheriff's clerk was vacant wrote as follows: File No. 1503, dated 12th September 1892:—

"With reference to the petition of B. Krishna Rao, my Clerk. This man has worked very hard and is a very intelligent man. He has unfortunately not passed his Matric and has consequently been often superseded. He has more common sense than many passed candidates, and in cases of difficulty his services are often called into requisition. I have already recommended him for promotion, and the Board on your recommendation applied to Government to have him exempted, but he was not exempted. I consider he would make an excellent Sub-Inspector and his is a hard man. I have already recommended certain arrangements regarding the filling up of the Head Sheriff's place for which this clerk now puts in a claim as he will thereby gain an increase of Rs. 5 a month to his pay. He would of course do excellently for the place, but if I may be permitted to recommend him again I would do so unhesitatingly for the post of a Sub-Inspector. Many new men are about I hear to be appointed, and an old and well tried servant of Government would be only receiving what he has well earned if one of the posts were conferred on him."

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 20th July

1891.

No. 1035 Misc.

Read the following letter from the Deputy Commissioner, Central Division dated 5th July 1891, No. 2890

I have the honor to submit the following case of one B. Krishna Rao permanent 6th clerk of the Madras Town Circle and Sub-protem 7th clerk of my office for the Board's favorable consideration with a view to move Government to exempt him from the Examination rules for promotion in the clerical line of the Salt and Abkari Department.

2. I append below in detail the clerk's

clerk's services in the Department.

Rank	Pay	Office	Period.	
			From	To
Attender	10	Salt Commission's Office	18-8-77	25-2-83
2 nd clerk (temp)	15	Do	26-2-83	21-5-85
Attender	10	Do	22-5-85	25-10-85
3 rd clerk	15	Inspector's Office, Tada	26-10-85	24-2-86
4 th clerk	15	Do Markham	25-2-86	5-4-86
5 th clerk	15	Post Commr's Office Chingapat	6-4-86	31-3-87
Excise clerk	20	Do	1-4-87	10-5-87
5 th clerk (Temporary)	15	Do	1-10-87	31-12-88
Excise clerk (Temporary)	20	Do	1-1-89	30-6-89
5 th clerk	15	Do	1-7-89	5-5-90
6 th clerk	15	Inspector's Office, Madras	6-7-90	31-10-94
7 th clerk (sub postm)	15	Deputy Commissioner's Office, Central Division	1-11-94	To date

From the above it will be seen that the clerk has put in nearly 16 years service during which period he has been steady and painstaking and given great satisfaction to his superiors. Had he passed the requisite examinations he would have been promoted years ago.

3. In February 1888, the late Mr. Lloyd sent up the clerk's name to the Board

Board for exemption from the Examination rules for employment as a Sub Inspector, but the Board declined to move Government (Board's Proceedings No 385 Dns dated 9th February 1888). Again in May 1891 he renewed his recommendation which the Board was pleased to send up to Government (Board's Proceedings

G.O. No. 462 Dns dated 23rd May 1891); but to the clerk's misfortune, the Government declined to sanction the exemption (Board's Proceedings No 2032 Dns dated 20th June 1891).

4. In February 1894, I repeated the request and recommended that Government may be moved to exempt the clerk from the Examination Rules with a view to his being employed as

as an unincorporated Pub Inspector.
In Board Proceedings No 2056 Min
dated 12th May 1894 the Board called
for a report on the physical fitness of
the man for the post of Pub Inspector,
and it was reported that he was
wanting in standard measurement.
The Board however sent up his name
but the Government declined to
except the man because he was
physically unfit for the post of
Pub Inspector with reference to standard
measurement, (Board Proceedings
No 3023 Min dated 12th July 1894).

5. In October 1894, the clerk made
a further representation and suggested
that he may be exempted from the
examination rules at least for promotion
in the Clerical line. On this I passed
the following order:—

"The

"The clerk will be transferred to
the Deputy Commissioners Office as
7th clerk subprotem with a view to
enable the Deputy Commissioners to form
a personal opinion as to whether it is
desirable to recommend him for
exemption in the clerical line as
requested by the Clerk."

The clerk accordingly joined the
office on 1st November 1894 and has
been here for eight months during
which period he has been steady and
hardworking. He writes a very good
hand, is a most useful man, and
has given me every satisfaction so
that I am able to fully endorse
the opinions expressed by other
officers regarding his character and
capabilities as will be seen from
the enclosed printed extract.

6. The clerk was entertained in 1879. long before the rules regarding standard measurement were framed and it appears hard to apply these rules in such a very deserving case.

7. In consideration of the above I trust I may be pardoned for again venturing to bring this man's name before the Board with a view to his exemption from the Examination rules so as to enable me to promote the man in the clerical line."

Resolution.

Submitted to Government with reference to the Correspondence ending with G. O. No 478 Educational dated 27th June 1894, with the request that A. Krishna Rao (Subpro-tem 7th clerk of the Deputy Commissioner's office) may be exempted from the operation

operation of the Examination rules in view of his promotion in the clerical line. He is an old and deserving servant and the Deputy Commissioner, Central Division gives him a high character for usefulness and good conduct.
