The Chief Secretary to Government
Educational Department
Madras.

Sir

In continuation of my letter
Reference on C. No 1712 dated 10th Instant, and
with reference to para 3 of G.O No 416, Educational,
dated 14th May 1895, I have the honor to state that
under G.O No 215 dated 21st May 1877, the rent of
the Samkum bungalow was fixed at Rs 100/- per
monsoon which has been paid by successive
Collectors up to the present date.

2 In G.O No 37 educational dated
15 January 1887, the Government sanctioned
an estimate for Rs 700 for building an
office room in the Samkum bungalow and
directed

detected that, in view of this charge, the rent
be increased to Rs 105 per mensem. But at that
time there was a proposal to have the bungalow
used as a museum and library and
in this connection the proposed addition
was allowed to lie over. Vide this office letter
to Government No 5 dated 29th January 1897.
The office room has not been built up
to date and the old rate of rent (Rs 100 per
mensem) therefore continues to be paid.

3 In the latter part of 1892 and
in the first half of 1893, the bungalow and
outhouses were repaired at a cost of
Rs 4295. Vide G.O. Nos 437 dated 21st
February 1892 and 154 dated 27th February 1893.
Since then, during the past two years from
July 1893 to June 1895, a sum of Rs 211-12-4
has been spent on petty repairs of the
bungalow and outhouses as per statement
enclosed against a credit of Rs 240

during the corresponding period at 10 per cent
of the rental allowed for repairs.

FOR ORDERS

Mr. Frigg's statement that he is paying only Rs 100 per mensem as rent for the Tankam is correct. In G.O. no. 215 of 21st May the rent of the bungalow fixed at Rs 100 per mensem but subsequently, an order for Rs 700 for building of office room to the bungalow was sanctioned and, consequently, the rent was to be Rs 105 per mensem from the date of completion of the room (G.O. no. 370).

(under cover of G.O. 2135 of 21.4.57)

In his letter no. 5 the Collector of Madurai that the addition of Rs 50 will lie over and the approved to the of Rs 100 per mensem.

 In accordance with f.o.

 the Collector was permitted
 to deduct from the rent 10

 The sum thus placed at his
 disposal was Rs 120 per annum
 by trust Rs 126 as stated
 para 2 of S.O. ~~of 20~~ ^{of 20} ^{18.5.78}
 Collector now submits a

 of Rs 240 thus deducted from

 From that he has expressed

 he considered whether the
