I

The Secretary to the Board of Revenue

Madras.

Sir.

Some difficulty having been felt in securing for the post of Head Shroff in the Anantapur District, the services of a man of good character and able to furnish the requisite security, I have appointed one Ramachandra Singh a passed Candidate - belonging to a wealthy and respectable family and able to furnish the security required of him. But as he is almost 32 years old he cannot be entertained in the Department without the special sanction of the Government. I have therefore, the honor to request that you will be so good as to move the Government to accord their sanction to the admission of Ramachandra Singh to the Government service under the last para of the Resolution of the Government of Ind.

charged the duties to the satisfaction of his superiors for about a month, when the post was, to the great disappointment of the Petitioner, permanently conferred on the then Vernacular Head Clerk of the Collector's office. In this connection His Excellency's humble Petitioner respectfully begs to point out that no sanction of the Government was obtained when the *sub. pro tem.* allowance was paid to the humble Petitioner.

(5) That when the appointment again fell vacant on the 18th July 1894, owing to the same reason, the Petitioner was again ordered to do the duties of the post, and again to the great disappointment and misfortune of the hard-fated Petitioner, the place was permanently given to one M. Srinivasa Rao, Translator of the Collector's Office, on the mere assumption that the Precise-writing Test is compulsory for the post of Treasurer according to the general rule in the Schedule of Notification published in the *Port St. George Gazette*, dated 29th May 1894, part I, page 636. Here the Petitioner was temporarily exempted from the Examination rules to draw the pay of the appointment—*vide* G. O. No. 741, dated 4th October 1894, Revenue Department, for the period he was in charge of the Treasury, *viz.*, from 18th July to 1st September 1894. The humble Petitioner ventures to submit in this connection that the present Collector would undoubtedly have conferred the post permanently on the Petitioner on the recommendation of the Treasury Deputy Collector, but for the assumption referred to.

(6) That His Excellency's humble Petitioner humbly begs to submit that in classifying the posts in Collector's Office, for which Precise-writing Test is compulsory, the Board of Revenue in its Proceedings, No. 6792, Mis. L. R., dated 5th December 1893, recorded in Board Proceedings No. 149 L. R., dated 7th April, 1894, page 40, enumerated that the post of Treasurer in the Collector's Office is one of the posts for which the Precise-writing Test is necessary. But this was not provided in the Notification referred to in para 5 issued by the Government.

(7) That your humble Petitioner begs to submit that although it is ruled in clause IV of the Notification, dated 27th May 1873, published in the *Port St. George Gazette*, dated 17th June 1873, p. 1036, that Precise-writing is made applicable to all appointments whose salaries exceed Rs. 80, the first Treasurer who was appointed in 1882 and died in 1893, had not passed the Precise-writing Test, nor was he eligible for an exemption in accordance with G. O. No. 73, E. D. L., dated 12th March 1874, as he was holding the appointment of Vernacular Head Accountant in the Kurnool Collectorate on Rs. 45 at the time of nomination as Treasurer.

(8) That the humble Petitioner begs to lay before His Excellency that the post of Huzur Treasurer has not been classified as one of the posts requiring Precise-writing Test either in the Notification of 1873 or in that of May 1894, both of which are analogous except in minimising the salaries—the former for Rs. 80 and the latter for 60. The general rule for Precise-writing Test seems to apply to all posts other than the post of a Treasurer as may be seen from the above para.

(9) That from the above facts, and from para. 2 of G. O. No. 3678, Mis. Revenue Department, dated 23rd June 1888, it appears that His Excellency's Govern-

ment might have concluded that Precise-writing Test may not be required for the post of a Treasurer although the pay of the appointment is Rs. 125; for, the post requires nothing but a cash security of Rs. 5,000, good character, respectability and worthiness and eligibility, all of which are spoken of by N. A. Roupell, Esq., as to have been possessed by the humble Petitioner, in his letter, No. 671, dated 17th April 1892, to the Secretary to the Board of Revenue, a copy of which is herewith enclosed.

(10) And that if, however, His Excellency the Governor-in-Council is pleased to consider that the Precise-writing Test is compulsory for the post in question, His Excellency's humble Petitioner prays that he may be exempted from passing the Precise-writing Test to hold the appointment of the Treasurer when the next vacancy occurs, in consideration of the encouragement given to him by the then Collector N. A. Roupell, Esq., of his continued service without any stigma for a period of 15 years as Head Shroff on Rs. 50 and also of a comparatively slight difference of 18 days between the date from which the Examination rules came into effect and the date on which the vacancy occurred, that is 1st and 18th July, 1894, respectively.

(11) In conclusion, the Petitioner humbly begs to submit that if Petitioner need not have to pass the Precise-writing Test to qualify for the Treasurer's post, the fact that he has been deprived from promotion to which he was entitled on vacancy, on the assumption that Precise-writing was necessary has proved a great hardship to His Excellency's humble Petitioner and meekly relies upon His Excellency for graciously granting him relief.

For which act of kindness and justice, Your Excellency's Petitioner shall, as in duty bound, ever pray.

2. It is reported that the Govt. petitioner is a man of considerable wealth and fully able to meet the demand for security: that he is acquainted with the principles of a Treasurer's work, & that as Head-shroff he has uniformly given satisfaction. His application for exemption from the Pucc's writing test is strongly supported.
