SUBJECT.

Enquiring whether it is the wish of H.C. the Governor to retain General Clarke's name on the Senate.

I have asked General Clarke if he has any particular wish & he answers me that he is perfectly satisfied to retire from the position. It is only made clear that his retirement is brought about by the change in his official status. I don't suppose there need be any difficulty about this, and under this condition I think his withdrawal from the Senate should be effected.

Recirculated to H. M. 1. It is submitted that Govt. can hardly take steps to "effect removal" of Clarke's withdrawal from the "Senate". Under Section II of the Act of Incorporation, he has already ceased to be a Fellow of the University, as he no longer fills the office of "Member of Council". - It is suggested that the University should be asked to elect a new Fellow, to be provisionally an officiating Fellow, there is no necessity to notify the fact that he no longer holds that position. Perhaps the best way of meeting Howell Clarke's wishes would be to vote D.O. to D. Dances, suggesting that mention of the circumstances should be embodied in the resolution of the

I don't think that this would be all that is necessary. Genl. Clarke thought - or I agree with him, that the manner in which his exclusion from the Sen. all was intended might bear the impression that he was being expelled - and all he wished was that the introduction of the re-organization scheme by which he ceased to be a member of Council was the reason for his withdrawal from the Senate.

Madras, 13 Aug 1895

My dear Sir,

General Mansfield
Clarke is (or was) a
member of the Senate
in virtue of his being
a member of Council
(see sect VI of the
Act of Incorporation).
At the annual meeting
of the Senate to be
held on the 29th inst
his name will be
removed from the

list of fellows
as he no longer holds
the appointment
of member of Council.

I am writing in
case it should
be the wish of H. E.
the Governor to retain
General Clarke's
name on the Senate
& in case also General
Clarke should
wish to continue

a fellow.

If he is to remain
I think he will have
to be appointed in the
ordinary way.

Truly yours
