Military Department.

Simla, the 14th June 1895

The Secretary, Defence Committee.

Sir.

I am directed to acknowledge the receipt of your letter No: 64, dated 26th March 1895, submitting, for the orders of the Government of India, Correspondence relative to the proposal to erect a Students' Hostel in the vicinity of Fort St. George, Madras, to perpetuate the memory of a distinguished citizen, the late Ranganatha Mudaliyar.

2. It is required that a plot of land for the hostel should be secured in perpetuity and vested in trustees. In order to aid the scheme, the Government of Madras propose to make a grant of a plot of military land situated to the north-west of the fort and south of the China Bazaar road, a portion of which falls within the clear zone round the fort, defined in Military Department letter No: 1751. M. N. dated 24th June, with a view to the building being erected immediately outside the boundary of the clear zone, and the remainder of the plot being enclosed as the compound.

3. In reply, I am to state that, having carefully considered the matter, His Excellency the Governor-General

General in Council reports that it is inexpedient to accept the proposals put forward, and is unable to sanction them.

200, 400,

C. No. 720-Ed of 20 June for

FOR ORDERS.

What was the other
opinion the General proposed?
I think I asked him if the
G of I proposed to purchase
the site on the esplanade from
the Government of the site
might be considered.

I think so too. 24/6/95
Let us have the plan
from the G of I. I should like to know
exactly how much land is
available as compared with
the site now refused.
WV
27/7/95

The present project above is a
small division from the Fort of India
declining to grant the site on the Fort
Esplanade in which it was proposed
to erect the Res. Dep^t Hostel.
The reason for the refusal is that
the Govt. has a General "regret" that it
"is inexpedient to accept the proposal"
"for present".
It therefore appears necessary to
select another site. Presently the
most likely "new" site is the one on which
the Res. Dep^t Hostel is proposed
to erect the hostel, near the Fort of India.
From the records it is whether
a reference may be made to the
Esplanade Hostel Committee regarding
this to select another site.

I think we had better
ask the Hospital Committee
if the site would be
suitable.

We have two buildings at
in there - the building required
for quarters for the Hospital Committee,
Steward of perhaps some other be-

some other), and the Hospital - The
available space, with out trespassing
on Adams' park, is about 300' by
