The Chief Secretary to the Government
 Through the Sahildar of Trinelliputur Salug.
 The humble petition of P. R. Krishnamoorthy
 Junastah. Trinelliputur Salug.
 Limerelly district.
 Most respectfully sheweth.

That your honor's humble
 petitioner most humbly begs to submit
 the following few lines for your

honor's kind consideration & orders
 under of A. No. 524 Educational subcommittee
 13-8-94 342

1. Matriculation
 2. Handwriting
 3. Revenue Lower & Revenue test higher grade along with Accounts
 4. Criminal Lower
 5. Criminal Higher
 6. Precising Higher
 7. Translation Lower
- That the petitioner has passed the marginally noted examination
 & is wanting to qualify him for the post of a Deputy Collector & Magistrate
 The petitioner is possessed of a long service of over 12 years in the Revenue Department. After completing all the tests required to qualify him for a Sahildar & sub-magistrate
 petitioner applied as the first & the last

chance in the year 1888 for Revenue test
higher grade when he was suddenly attacked
by a long terrible fever in consequence
of which he met with a sad failure
in the examination. Many a candidate
who are placed in the same or similar
situations as the petitioner had obtained
exceptions to appear for the Revenue
test higher grade & secured a pass
as would appear from the publications
in the supplement to the F. H. S. George, Fayette.

The qualifications that the other candi-
dates of the same status & intelligence
as the applicant have, are also
possessed by the petitioner. But the
only thing is that the petitioner had
not had the chance at an earlier
stage & consequently stands deserved
of your honor's grace. To have the
rules of restrictions in fact to
private candidates who have not
entered the service is in no way
harmful to the public; but to apply it
so very rigidly to persons in the service

is a sad dis appointment to them
as the latter could by no possible means
achieve any dawn of way to
get off the bar at any time of life
after having entered the service
so far back as the year 1881 with fair
hopes & after remaining in the service
so long with all the examination
qualifications except the Revenue test
higher alone which forms now a day
a special qualification for a Revenue
subordinate. as competitions in the
ministerial service (is) very keen, to
be placed in utter oblivion with
no hopes of redemption & due prospects
is really a very hard lot of the petitioner
and it is therefore very earnestly solicited
that the petitioners case may be viewed
with due pity & be governed by the rules
of equity & thus the rigors of the rules of
the restriction mitigated & soothed a little
giving a chance of exemption to the petitioner
from the operation of the rules of
restrictions, so that it may enable
the petitioner to appear for the Revenue

test higher grade & to parish, thus taking
into your honor's benign consideration
the petitioner's long service ^{other} qualifications.
& the fact of rendering future hopes
& prospects brightened otherwise - for which
act of benevolence & charity, the petitioner
shall as in duty bound ever pray.

Note.

Matriculates in Govt service in April 1884 were permitted to appear for the Rev. Higher up to the year 1889 while matriculates who were not Govt servants were debarred from appearing for the test from the year 1884 i.e. after the examination held in May 1884. The petitioner had ample notice of his exclusion from the Rev. Higher after the year 1889 & he is to blame himself for not having the test before that year. He has certainly no chance of becoming a D. S. Officer. He need not trouble himself about the Rev. Higher.
