OFFICE OF THE COMMISSIONER
FOR GOVERNMENT EXAMINATIONS,
Madras, 21st January 1895.

From The Hon'ble Mr. D. Duncan M.A. D.Sc.

COMMISSIONER FOR
GOVERNMENT EXAMINATIONS,
Madras,

To THE HON'BLE THE CHIEF SECRETARY
TO GOVERNMENT,
Fort St. George.

SIR,

With reference to your Memorandum No. 107, of the 19th instant, I have the honour, to state that the Public Service and Special Test Notifications, as amended up to date, will be published in next week's issue of the Fort St. George Gazette.

It has been found necessary to make the following changes in the Notifications in addition to those directed to be made by Government since the date of their publication.

Public Service Notification

In Schedule B, in the remarks against the Provis. Writing Test, were has been substituted for are in line 2.

Special Test Notification

- (1) The asterisks against numbers (7) and (8) in the list of subjects under the Civil Judicial Test, have been omitted, as also the note relating to three subjects.
- (2) The note under the Jail Test prescribing the Chapters of the Penal Code and the Criminal Procedure Code, to be studied for the Examination of 1894, has been omitted.
- (3) In Article 6, the second sentence has been omitted in accordance with G.O. No 674, dated 13th September 1894.
- (4) In the table under Article 11, the two new subjects of the Civil Judicial Test, viz the Contract Act, and the Rules of Practice (Civil) have been inserted, but the duration of the papers for those subjects and the maximum marks have not been entered. I would suggest that each paper be made an hour and a half long and the maximum marks for each be fixed at 60. The minimum marks, unless otherwise ordered, will be the same as for the other subjects, namely one-third of the maximum marks, as laid down in Article 12.

If no important changes are made in the Special Test Notification, it appears to me that
there

there will be no necessity hereafter for publishing this Notification every year in the month of January. It will be sufficient, I think, if the Public Service Notification appears annually in the Fort St. George Gazette.

I have the honour to be,

Sir,

Your most Obedient Servant,

S. Durian
Commissioner.

2. In para 2 (g) of G.O. of the 9th May 94
No 317 Ed, the Hon. the Judges of the
High Court were requested to state
whether the Contract Act and the
Civil Rules of Practice, prescribed for
the Civil Judicial Test on their sug-
gestion, should be treated as separate
subjects carrying distinct maxima and
minima and to suggest how the
table in art II of the Special Test
Notification should be modified.
~~The Hon. the Judges have not yet expressed
their opinion upon the question, but
they have received yet but as it is time~~

that the matter is settled, the Commis-
sioner has now proposed that they should be
treated as two distinct subjects, each
carrying a maximum of 60 marks
and a minimum of 20, that the paper
in the subjects should be of one and
a half hours' duration and that the
table in art II should be modified.

Accordingly. On the assumption that the Com. Judges will have no objection to offer to the Commission's proposals, the Govt. accepts them. accordingly will be accepted.

3. The question whether the special test notification should be re-published in January 96. Should be raised when the time comes for its ^{approach} publication. It will then be possible to decide whether the alterations in the notice effected during 1895 are of sufficient importance to render republication advisable.
