To

His Excellency the Right Honourable
the Governor in Council
Fort Saint George.
Through the Collector of South Canara.

Humble Memorial of
Mahamad Saif Khan
Son, Collector's Office,
Mangalore.
Dated 30th July 1895.

Most Respectfully Sheweth,

That Your
Excellencies memorialist begs to submit the
following circumstances for kind and favourable
consideration—

2. That memorialist belongs to a respectable
Muslim family of this District. He passed
the Upper Primary Examination held in 1888
and was prosecuting his studies in the middle
school department of Municipal School, but
his father's untimely death deprived him of the
means of education and he had therefore to
give up his studies to seek employment for

the support of himself and the dependents left by his father.

3. That your memorialist humbly begs to state that though the Mussalman community is in a respectably large ^{number} in the District, the servants in the superior grades of the Revenue Department are but few - there being only two servants in the Collector's Office. This is attributable to nothing but the backward condition and poverty of the community.

4. That memorialist joined the Teachers' College at Madras to undergo training, and qualify himself for the profession of a teacher. He attended that institution for 2 years and passed successfully in all the compulsory subjects of his examination and also in the following optional subjects - Carpentry, Drill and Gymnastics. And while in Madras your memorialist learnt privately Drawing and Memorization.

5. That besides possessing a pretty fair knowledge of English and Converse, memorialist can read and write Persian and Urdu and is acquainted with Arabic tolerably well.

6. That not being provided with employment as teacher of a Hindustani school here your Excellency's memorialist, with the permission of the President of the South Canara District Board to seek employment elsewhere, applied for and obtained the post of a peon in the Collector's Office here on a salary of Rs 9.

7. That though poverty has compelled memorialist to seek the peon's post he now holds, he humbly hopes that in consideration of his superior attainments he would be promoted to the regular clerical establishment in the office, but he fears that the examination rules might deprive him of all chance of any such promotion and he therefore begs that your Excellency's benign Government may in a kind and favourable consideration of the above circumstances be graciously pleased to exempt memorialist from the operation of such examination rules so as to enable him to be drafted into the superior grades of the service.

And your Excellency's memorialist shall as in duty bound ever pray

A. Yusuf Khan

Proceedings of the Board of Revenue

(Land Revenue),

Dated 16th August 1895.

No. 4073 Mis. Continued

Read Endorsement of Mr. S. Veloth Vignier, Collector of South Canara, dated 16th August 1895
Referring to the 1712 of 1895 on petition from Muhammad Saif Khan, Pans - Collector's office, Allangalase, dated 31st July 1895.

Resolution

Submitted, for the orders of Government.

Secretary

To The Chief Secretary
 to Government,
 Educational Deptt.
 with petition and
 Collector's endorsement

Submitted to Government through
 Board of Revenue, Land Revenue, for favourable
 consideration.

2. The petitioner qualified himself to become
 a teacher in Hindustani Schools under Chapter VI
 of the Grant-in-Aid Code in force prior to
 1895. But there was no vacancy and he was
 appointed by Mr. Datta as a teacher in a school
 for 6 months. He is in some ways better educated
 than many undergraduates and had the opportunity
 to go through a two years' course in the English-
 Madan Branch Training School at Triplicane,
 but knowledge of Persian poetry and gymnastics
 and ability to teach Urdu (he was at Banarash
 (Uttar Pradesh) do not help him in obtaining employ-
 ment. He would be difficult to pass the Upper Secondary
 Examination but he would have to go to school
 for the three years' course and then his age would
 be past 28 years. So he could not now qualify
 himself for employment under G.O. dated 2nd April
 1894, No 317 Educational by the ordinary channel
 even if he had the means to support himself at
 school. He has unfortunately directed his studies
 to the wrong channel.

3. Considering the backward condition of
 Muhammedans and the paucity of their numbers
 in the Superior grades of the Public Service, he
 may fairly be granted exemption from the Examin-
 ation rules so as to enable him to secure a post of
 Rs 15.
