According to Mr. Duncan, only
2 days halt at Cornoor and 3 days' halt
at Polacammund were necessary for the
work he had to do in those places. But
he having remained at the hills from the
22nd May to the 24th June 95 or 33
days in all must be regarded as
having prolonged his visit beyond
the period required for the performance
of the work he had to do and must
therefore be refused the travelling
allowance he claims. vide Act 1124
C.S.R.

I believe that Mr. Duncan intended
at St. Paul's Hill a certain distance
but I have no definite information
on the point. RD

In this official communication
he was engaged in duty and
from there he went to the
place of destination with the
disposition of the person who
attended with the Director was
in charge. The Director has
to take him on from Station Cornoor
and he had to attend to the day
he began to work there.

PUBLIC INSTRUCTION,

Madras, 7th August 1895.

No. 8396

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

PORT ST. GEORGE.

Sir,

I have the honour to request
the sanction of Government under Art 1225
of the Civil Service Regulations for my journey
to Ootacamund and back and for two days
halt at Coonoor and five days halt at Ootacamund
in May and June last. During the
two days' halt at Coonoor I inspected the
schools in the Municipality and during the
five days' halt at Ootacamund I inspected
the Lawrence bungalow and attended a meeting
of

of the Committee held to consider the question of the retention or modification of the industrial instruction imparted in that institution. I also inspected the Breckinridge Memorial School and discussed with the authorities the present position and the future working of the school, the matter having been referred to me for opinion by the President of the Breckinridge Memorial Trustees. I have - thus claimed halting allowance not for ten days but only for the days I was specially engaged on work which I could not attend to except by halting at the two Hill Stations, and only for one journey to Botocamund and back. The Accountant General's objection memorandum to pass my travelling bill is enclosed for reference and favours of return.

I have the honour to be,
Sir,
Your most obedient servant,

J. Duncan
Director of Public Instruction
