Submitting with remarks letter from Kunhi Ahmed Kaya, a Moplah student of the Law College, applying for a special Scholarship

To

The Chief Secretary to the
Government of Madras.

Honored Sir,

I humbly beg to submit that I am a member of the Moplah Community of Malabar and that I am the first and the only one from that Community who has successfully prosecuted his studies to the B.A. Degree examination. I joined the Law College at the beginning of this term to read for the B.L. Degree examination with the confidence that my brother who is also my guardian would be able to support me. But no sooner than my joining the College, has been involved in some unforeseen pecuniary difficulties who finds himself quite unable to keep me up in the further conduct of my studies. Consequently, if I do not receive some pecuniary help from outside I very much regret to say that I shall be compelled to abandon my desire for higher education

and also to forfeit the fees which I have already paid to the College. Therefore I humbly request that the Government may be pleased to take a benign view of my case and grant me a special Scholarship, so that I may not be driven to the painful necessity above mentioned.

Further I beg to point out that if I yield to the difficult circumstances under which I am now placed and give up my studies it will be a powerful discouragement to the spread of education among my people. Should a Scholarship awarded to me by the Government still undoubtedly prove to be a very strong incentive to the rapid progress not only of Moplah education, but also the education of the Mahammedans in general in the west coast where at present, I beg to say, that there is no Mahammedan graduate except myself.

I beg to remain
Honoured Sir,
Your most obedient servant
P. Khunhi Ahmed Haja.

A Mappilla graduate, Cheyaram Kunhi Ahmed Roya, applies for a special scholarship to enable him to study in the Law College. He says that he joined the Law College in the beginning of this year depending upon the support of his brother, who has since been involved in some unforeseen pecuniary difficulties and applies for a scholarship. The D.P.I. submits the application with the remark that he has no special scholarships at his disposal for students of the Law College. The applicant, being a Mappilla

The present Law College rules also contain a provision that, if funds are available, the Director may award scholarships on such conditions as he may think fit. (Art: 18 of the rules published in G.O. 713. 11.89 dtd 714. 715 ditto). The Director may therefore be required to find out a scholarship for this Mappilla student either under the Govt Scholarships notification or under Art 18 of the College rules.

FOR ORDERS.

I submit that the Municipal Law College as the D.P.I. should be consulted as to the prospects of giving a scholarship in this case. They have said nothing. Apparently the D.P.I. can give a scholarship under 18 of the College Rules and it certainly does seem desirable to help this man if it can be done. He tells the whole story himself. I have forwarded and Govt. sanctioning what he proposes amongst his others. It is the Rule what he asks for is pecuniary help but what is a scholarship does mean this?

If the D.P.I. can give a scholarship at his pleasure (money being available) what will give in this instance?

Scholarship to a Hospital Student of the Law College

FOR ORDERS.

The College, Madras

No 20 2nd August 1895.

From,

The Principal

To The Director of Public Instruction,
Madras.

Sir,

Referring to your endorsement no 6610, dated 19th June 1895, requesting my remarks on the Memorandum of Government no 1303, dated 6th June 1895, in reply to a letter from Khaki Ahmed Khan a Hospital Student of this College, I have the honour to say that since Government consider it desirable to give pecuniary assistance to this student there will be no difficulty in paying for the necessary scholarship out of the comparatively large surplus income of the College.

It appears to me that the immediate object in bestowing this scholarship should be to enable the scholar to pay his College fees (Rs 100 per annum) and to provide himself with the necessary Text books, say Rs 50 per annum. I shall therefore suggest that the scholarship should be

be awarded for three years from 1st January 1896 and should be of the annual value of Rs 100.

The Student in question however requests that he may be awarded Rs 200 a year, so that all his expenses involved by studying in the College (in Madras, away from his own District) may be covered thereby. I should say that Rs 200 a year would constitute a generous assistance.
