To

His Excellency the

Right Honorable the

Governor in Council

Fort Saint George

Through the District Forest officer

and Collector. South Canara

Humble petition of M. Kanthappa

Attender in the Dt. Forest office

Mangalore 31st July 1895.

Most respectfully Showeth,

That the petitioner has been an attender on Rs 10 per mensem, in the District Forest office from November 1885 up to date.

That though styled an attender, he has actually been doing clerical duties all along to the entire satisfaction of the several District Forest officers, under whom he served

That the post of an attender has now been replaced by that of a Clerk on Rs 15, in the Scheme of reorganization of Office Establishment of District Forest officers recently Sanctioned in Government Order No. 392 Rev. dated 24th June 1895 communicated in Boards Proceedings Forest No. 391 and the petitioner

will now be thrown out of employment as he is not qualified by the Examination Rules for the post.

That the petitioner had passed the Middle School Examination in the Second Class but unfortunately was plucked in the Matriculation Examination and he could not subsequently owing to his poverty prosecute his studies and appear a second time for the examination.

That although by reason of his not having passed an examination technically qualifying him for the post of a Clerk, petitioner is not on the roll of passed candidates, he has sufficient qualifications to enable him to discharge efficiently the duties of a clerk and he has practically been performing these duties for the last 9 years and 8 months being in addition placed in charge of the records of the office.

That in 1893, in anticipation of the present Scheme coming into force, petitioner had applied for an exemption and in consideration of his hard and faithful services his case was strongly supported by the District Forest officer and the then Collector Mr. Brodie, but unfortunately for him it did not meet with the favorable consideration of the Board, probably because the application was premature on his part.

That, what was anticipated by him in 1893 has now come to pass and petitioner has no other alternative but to lay his hard case before your Excellency's Government for its benevolent and merciful consideration and in doing so he begs respectfully to state that having devoted so long a best period of his life as about 10 years to the service of Government and having all along performed his duties ill-paid as they were, with zeal and diligence so as to merit the approbation of his superiors, never dreaming that they would come so abruptly to a close, it is now very hard on petitioner and poor family, to be deprived of the means of their bare livelihood and to be thrown adrift on the World without any means of Subsistence.

It may not be out of place here to add that the petitioner is a Billawar by Caste and as such belongs to one of the most backward communities in the District both in point of Education and Wealth and one which has yet to emerge from its long prostrate Condition!

Under

Under all these circumstances petitioner most humbly and earnestly prays that your Excellency may be graciously pleased to exempt him from the operation of the Examination Rules so as to allow him to be confirmed in the post of Rs15 now sanctioned in the place of an attender.

For which act of grace and Charity the petitioner and his family, shall, as in duty bound ever pray.

M Kanthappa

Submitted to the Board of Revenue through the Collector for favorable consideration and Submission to Government.

Though the Petitioner has not passed the necessary Examination, he is as good as, if not better than, one who has passed because of his great Experience.

He has been all along in charge of the Inward and Outward Registers and the Records and has done his work Exceedingly well and deserves the increase now sanctioned. He has been holding the Post for the last 10 years and it will be a pity to send away a useful and experienced hand after such a long and hard service merely because he has not passed an Examination though otherwise he is quite Competent for the Post.

REVENUE BOARD OFFICE * MADRAS *

Proceedings of the Board of Revenue

(Land Revenue),

Dated 2nd September 1895.

Forest No. 1280. Miscellaneous.

READ again Board's Proceedings, dated 30th January 1893, Forest No. 73 miscellaneous, declining to recommend the exemption from examination rules of M. Kanthappa, attender in the District Forest office, South Canara.

Read also the following letter from W. H. Welsh Esquire, Collector of South Canara, dated 10 August 1895, No. 369.

In forwarding the enclosed petition for exemption from the operation of the Examination rules I have the honor to state that I strongly support the recommendation of the District Forest Officer. If the Board is not pleased to recommend this, I would suggest that

that the increase of pay to Rs 15
may be postponed as long as Kanthappa
is here, as it would be a hardship
to the man and a loss to the effi-
-ciency of the office to dispense
with his services.

Resolution:

Submitted to Government
with the request that in the
circumstances stated by the
District Forest officer whose
recommendation is strongly supported
by the Collector, attender Kanthappa
may be exempted from the examination
Rules so far as his appointment
to a post on Rs 15 is concerned.
