The Honorable Mr. J. F. Price, C.S.I., I.C.

Chief Secretary to the Government of Madras

Through

The Chief Assistant to the Chief Secretary

Honored Sir,

I beg most respectfully to submit this my application for permission to appear for the ensuing Precis-Writing Test to be held in October next.

I have been employed in the office as you are aware for the last 5 years and I venture to think the nature and quality of the work I turn out are well known to your honour.

I was permitted to appear for the examination last year but unfortunately I failed. This year I put in my application for the Test under the impression that the permission granted to me last year was sufficient but the Secretary to the Commissioner for Government Examinations has returned the application with the remark that I cannot be admitted for the Test. Under G.O. 571 Educational the head of a department can as a special case permit any of its subordinates to appear for the Special Tests. I therefore respectfully beg that your honour will be pleased to permit me to appear for the above mentioned Test.

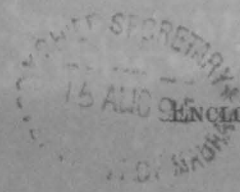

For

For which act of kindness I shall feel
highly thankful.

I beg to remain,
Honoured Sir,

To

The Honorable Col: J. Benneywick R.E

Secretary to Government, P. W. D.

Honored Sir,

We the undersigned clerks
beg to submit the following for your honor's
favorable consideration.

We submitted our appli-
-cations for admission to the ensuing
Precis Writing Test Examination as usual,
but to our surprise and without any
previous notice whatever to the candidates
who have passed the General Test and
the Middle School Examination in I class
and who hold superior appointments of
some standing, our applications have
been returned with an official memo
stating that, as we have not passed the
General Education Test under G. O. No: 57^x
(Educational) dated 9th July 1895, which
is in direct opposition to the terms of the

Copy Enclosed

notifications published in article 9 of the
Fort St George Gazette dated 23rd July 1895
Part I B Page 298, we are not eligible
to appear for the Examination in question.

When submitting our applications we
were not aware of our being ineligible
for admission to the above said test, as
the G.O. though dated ^{9th July 1895}, was issued very
late & was neither communicated to
the Heads of Departments nor published
in the Gazette cancelling the several
notifications inviting candidates for
the Special Test Examinations.

We beg to state that we hold
permanent appointments in this
office on salaries of Rs 65 and 50
and have 14 & 4 years service
respectively, and if we are not allowed
to appear not only will our prospects
in life in this office be ruined but
also in whatever department we may
hereafter wish to enter, unless we
are

are exempted from passing the Precis
Writing Test so that the G.O. referred to
above may not operate against our
future prospects.

In the letter from the Director of
Public Instruction read in the G.O. quoted
above, no reference is made in regard
to those who have already passed not
only Government Tests for which ^{the} Upper
Secondary Examination has been recently
substituted, but also have passed some
of the Special Tests and who do hold
permanent posts under Govt, but how-
ever, it is stated that the rule
"Admission to the Special Tests should
be restricted to those who have passed
the Matriculation or the Upper Secondary
Examination" might be relaxed on the
recommendation of the Head of the
Department to which the candidate
belongs.

It is not clear also if the G. O. is
meant by Government to have a retros-
-pective effect or to govern the cases
of candidates for Special Test Examinations
to be held in 1896.

In these circumstances we beg
that our case may be favorably considered
and recommended for admission to the
said Special Test Examination.

We beg to remain

Honored Sir

clerks, P. W. Secretariat.

Madras 19 August 1895.

To His Excellency the Right Hon'ble
Bailly Baron Wellock,
G. O. I. E., President, &
Governor in Council,

The Humble Memorial of the
undersigned clerks employed
in the Sea Customs House,

Madras.

Sheweth

That your Excellency's Memorialists
have passed the late General Test Examina-
tion and Middle School Examination
1st Class, (which were recognized by
Government until now as qualifying
Educational Tests for admission to the
Special Test Examinations), and have
also passed several of the Special Tests
in addition. That under the new rules
recently introduced some of the Special
Tests hitherto not required for service
in the Customs Department have now
been made applicable to it as well.

That your Memorialists accordingly
sent in their applications (together with

the Bank Receipts on account of fees paid) to the Secretary to the Commissioner for Government Examinations agreeably to the Notifications issued by that Office in the Fort St. George Gazette, dated 29 January & 16 July 1895, Part I, Pages 25 and 290 respectively.

That your Memorialists were all of a sudden surprised to find their applications returned to them with the following endorsement:-

"With reference to his application for the ensuing Special Test Examinations ----- is informed that he has not passed the prescribed General Educational test, he is not eligible under G.O. of the 9 July 1895, No 571 Educational, to appear for any of the Special Test. His application together with its enclosures is accordingly returned, x x x x x"

That your Memorialists most respectfully submit that the G.O. quoted by the Secretary has not as yet been notified nor communicated to Public Departments and they therefore consider it would be a great hardship that the new rules should be suddenly enforced with immediate effect, considering that they have prepared

for

for the Examinations and submitted their applications according to the rules in force then.

That your Memorialists further submit that the proposals of O. S. Srinivas (in his letter to Govt. embodied in the G.O.) appear to apply more particularly to the ~~unpassed~~ employees in the superior grades of the Postal, Medical and Forest Departments, and it does not seem to have been the intention that all employees, who have ^{passed} the late General Test Examination or Middle School Examination 1st class and who are already in the Govt. service in the superior grades should now be precluded from appearing for the special test Examinations.

That your Memorialists have passed several of the Special Tests and have now only to complete those which have been recently added to the list for employment in the Customs Department.

Under these circumstances your Excellency's Memorialists

are

beg most respectfully to request
that your Excellency will be
graciously pleased to issue early
orders to restore their applications
for the ensuing Special Test Examinations
and to continue the same
concession given to matriculates
in respect of the Special Tests in future.

Finally your Memorialists
beg to add that they have
submitted an application
to the Collector which has been
forwarded to your Excellency
through the Board of Revenue,
but as this will reach your
Excellency later on, and as the
Examinations are fast
approaching, this Memorial
is in the meanwhile submitted
direct to your Excellency.

That your Memorialists
most respectfully apologise
for thus intruding on your
Excellency's valuable moments.

And that your
Excellency's Memorialists
shall

shall as in duty bound
ever pray

cation regulating the Special Test
Examinations we paid the fees
agreeably to the Notice published by
the Secretary to the Govt. Examinations
and sent in our applications with the

a view to our names being registered
for the several Tests. We were
surprised, however, to find them

3. We beg respectfully to state that hitherto the late General Test or the Middle School, 1st class, were considered as qualifying Tests for admission to the other Special Tests, but now it would appear from the G. O. quoted by the Secretary that Govt intend to recognize only the Upper Secondary or Matriculation Examinations in future. As the new note in question, however, appears to have just been issued by Govt and not been notified sufficiently for public information, we think that some time at least should be given before it is brought into operation as otherwise it would be very hard that we should be precluded, suddenly, from appearing for some of the Special Tests which have only recently been made applicable to Custom House employees & thus be permanently excluded from promotion in the Office. If these tests were made applicable to the Custom House before this, we should have ere this appeared for them, and
