No 270

Executive Engineer's office Negapatam.
Camp, Mannargudy Dated 8th July 1895

From

The Executive Engineer.
Negapatam Division

To

The Superintending Engineer
V Circle

Sir

I have the honour to report for favourable
consideration the following:—

1. The Examiner, in his list of Salary disallowances
for April and May 1895, has passed provisionally pay
of Pandavias Superintendent; Ponniusami Mudaliar,
pending information called for as to the Examination
etc, passed by him. The Superintendent was called upon
to furnish the above information. From what he produced,
he appears to have passed no qualifying Government
Examinations, but possesses only an attendance
certificate in the Maistries and artizan class of the
Madras Civil Engineering College.

mis:
Office Cir:
31-7-95-

2. In Chief Engineer's Circular Memo No: 33 G dated
17 November 1893 communicated with your No: 529 G
dated 22nd November 1893, it is laid down that
appointments on the conservancy Establishment from
Rs 20 to 50 "should be reserved for men who have

who have passed the Surveyors' test at the Civil Engineering College, or for "men who, in the opinion of the Superintending Engineers are practically qualified as Surveyors".

3. As Ponnusamy Mudaliar was permanently employed in the Trichnopoly Division as Superintendent, Ponnery Head, and was also acting for a Sub overseer on Rs 25, he was considered practically qualified for the post and recommended in this office no: 30 S.E. dated 3rd February 1895, which was approved of in your no: $\frac{9 \text{ N.E.}}{C}$ 17.2.95.

4. I request therefore that necessary sanction may be accorded for exempting Ponnusamy Mudaliar so for the post he holds.

I have &c

J. S. N. Rathnasahapathi Pillai
Executive Engineer

No 279th.

Submitted to the Chief Engineer P.W.D. with the request that under the explanation afforded by the Executive Engineer, he will be so good as to move Government to be pleased to exempt C. Ponnusamy Mudaliar, Superintendent Pandavayar Head, on Rs 20 per mensem, from passing the necessary test, to allow of his holding

his appointment

C. Ponnusamy Mudaliar has also served as Sub overseer for about 4 years, and has been recommended.

FOR ORDERS.

as to whether the proposed
exemption may be granted.
The pay of the post is Rs 20/-
the man is reported to be
practically qualified. He may
perhaps be exempted (a) for the
purpose of holding this
particular appointment, or (b)
so as to hold any appointment
up to Rs 20/- in the Irrigation
Conservancy Establish.

28.8.95

Let us ask the C.E. if this
exemption is necessary

28
31/8

It seems undesirable if men can be
obtained from the P.E. colleges
with the necessary qualifications
to take in men who have passed
nothing.

He (1) Conservancy establishment should be made use of at times when there is no irrigation, to take wheels and assist the Sub Divisional Officer in preparing plans and estimates for the repair of works in their charge.

(2) The length of service of every man who is reported to be inefficient should be reported with a note stating what sort of work he is fit for.

Office of the Chief Engineer for
Irrigation, M A D R A S.

17th November 1893.

NO 33.G.

Circular Memorandum.

The undersigned has the honor to request Superintending Engineers to carefully consider whether the Conservancy Establishment in the various irrigation systems is thoroughly efficient and to report what changes they consider necessary. All Conservancy appointments over Rs 50 per mensem should in future be reserved for men who have passed the overseers' test at the Civil Engineering College or who, in the opinion of the Superintending Engineer, are practically qualified as overseers. Appointments from Rs 20 to Rs 50 per mensem should be reserved for men who have passed the Surveyors' test at the Civil Engineering College or for men who in the opinion of the Superintending Engineer are practically qualified as Surveyors.

2. The form herewith sent should be filled up and returned at an early date.
