Sir,

I have the honour to intimate that the Committee appointed to collect funds for the purpose of commemorating, in a suitable manner, the services of Mrs. Krupabai Sathianadhan in the cause of English Literature, has resolved to found a medical Scholarship of the value of Rs. 25/- per mensem attached to the Madras Medical College in connection with the Countess of Dufferin's Fund, and to request that Government may be pleased to accord its sanction to the proposal.

2. A sum of Rs. 5866/- was placed at the disposal of the Fund for this purpose, and the Executive Committee has supplemented it with a grant of Rs. 1746/- to furnish the required income when invested in 5% Municipal Debentures.

3. I have also to request that the exemption of the

Annual registration fee sanctioned in G.O. No. 327 dated 2nd July 1887 in favour of Dufferin students may be extended to the holders of this Scholarship as well.

4. The draft rules herewith submitted, have been approved by the Krupabai Sathianadham Fund Committee and the Executive Committee of the Dufferin Fund.

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In returning endorsement, N. 1829, Educational, dated, 7th ultimo, I have the honour to suggest the following additions and alterations in the proposed rules for the award of Krupabai Saththianadhan Medical Scholarship.

Rule 2. The words "Apothecary or Hospital Assistant Grade" may be inserted to show clearly the branches of the Medical Profession for which the Scholarship is awardable.

Rule 3. It would be well to offer the same rates of Scholarship as have been awarded to the Dufferin Scholars - viz Rs 25 to those studying for the

the Apothecary grade and Rs 20 for those of the Hospital Assistant Branch, vide pages 28 and 29 of the Medical College Calendar. There seems no sufficient ground to fix the Scholarship at Rs 25 for the latter grade in this case.

Rule 6. Candidates should be required to produce Health Certificates also and must have qualified for admission to the respective branches of study according to the rules of the Medical College.

The above amendments have been noted in the rules in pencil

2. It will be seen from rule ~~51~~⁴⁶ - page 28 of the Calendar referred to, that all students receiving Scholarships from the Countess of Dufferin's Fund shall, on the expiration of the term of Medical study, be bound to serve the

the Association for at least five years, if called upon to do so. Similar provision may be made in the rules.

3. I see no objection to the exemption of the Scholarship-holders from payment of the annual registration fee.

Note for the London Secy

I very much regret to have to inform the U.S. that I did not succeed in procuring a copy of the report of the Counters of Duffin's Fund anywhere in the whole town of Calcutta. Immediately on receipt of your slip at about 12-30 P.M. I went to Office myself and looked up the tables of contents and indexes. But all that I was able to trace was the p. of '93 recording the report for 1892 & that paper is at Madras. No later report seems to have been received in our office. I myself searched in every walk & corner of the library room, but in vain.

Then, I wrote to Mr Francis as directed. But he says that he has sent down the copy given to him by Dr Browning to Madras. Please see the slip attached. Afterwards, I went to ^{the local} Collector's office and inquired there, but without any better result. They gave me 2 years' reports of the Calcutta Branch of the Fund, but ~~that~~ they

My Dear Mr. Grace.

Please see Browning's reply to me. He refers me to a report which I cannot get hold of in Ooty. He has no copy himself apparently; the copy given to Francis has been sent to Madras. If you have one yourself, perhaps you will make the necessary alterations in the draft order; if not, the following order might meet the needs of the case.

Order. 7/19-9-95 No 771. W

The Director's letter will be communicated to the Hon^{ble} Secy, Comtee of Daffern's fund with the remark that the Govt. agrees with Dr. Duncan in considering that candidates for the Krishna Rao Sanyanathan Scholarship shd. be required to produce health certificates. - with regard to the amendments suggested in rules 2 & 3, the Hon^{ble} Secy will be requested to state whether it is intended to award the scholarship for the purpose of enabling the holder to qualify as a Civil Apothecary or Hospital Assistant. ~~for the~~ If this is the case the modifications proposed by the Director appear to be desirable & should be commended to the consideration of the Executive Committee. The Govt. however, is under the impression that the Daffern

Fund Scholarships are now restricted
to the Civil Service only, in which
case it would seem desirable to adopt the
same policy in regard to the Kripa Bai
Sahayana Scholarship.

2. Subject to the foregoing remarks the
draft rules are approved, & the Govt.
has no objection to the immediate
establishment of the Scholarship, ~~on the condition~~

My dear Davidson,

I think the proposed
order will do.

When a Hospital assistant
scholarship becomes vacant
last year, Browning proposed to give
an apothecary scholarship instead.
He drew attention to the fact that
there was only a difference of Rs 5
a month between the stipend of
an apothecary & Hospital assistant
& that it was much more desirable
to get apothecaries for the Fund. The
change was sanctioned in that

last time, but I don't remember
if any general rule was then
laid down.

Yours sincerely
