To

The Director of Public Instruction.
Through The Superintendent, medical School,
Chelloe.

Honoured Sir,

I, S. Suryanarayana of the Chelloe
medical School humbly beg to represent the following
for favor of your honour's kind consideration.

I, as a Student of the Town School
Rajahmundry was sent up for the middle school
examination held in December 1889 and unfortunately
I was ranked among those who failed, as
I fell short of a few marks in mathematics.
Then the Head master of the said School appreciating
my abilities as a Student, told me
that he would write to the Secretary to the
Commissioner of U.C.S examination to persuade
him to take me into the II class. After
a few days, he took me in II class, along with
some other students who were likewise recommended.
After one year study in II class, I was
promoted to the matriculation class and I appeared for
the matriculation examination.

in 1891, and unfortunately was not able to
secure a pass. While I was again studying
for the same examination in 1892, I heard that
some students will be sent up from the District
Board, Godavari, to be trained as Hospital
assistants and I put in my application as a
candidate for the same. I appeared for the
entrance examination held in July 1892 at
Rajahmundry and I stood first among
those who appeared. Accordingly I was
sent to the Chellore medical school where
I took my course. When I went to Madras
for the final examination in June last,
I was asked by Dr. Price whether I passed
the middle school examination. Then I told
him that I did not pass the middle school
examination but I was taken into the V class
as one fit for promotion and further I appeared
for the matriculation examination but was not
able to secure a pass. But ^{somehow} I was not
allowed to be present at the last Final examination.

In Conclusion, I beg your honour to

allow me to appear in the ensuing Final
examination to be held in October next at
Madras with the students that were remanded
as your honour knew well.

For act of kindness I will ever pray.

I beg to remain,

Honoured Sir,

Your most obedient servant
1st, S. Suryanarayana

Sir.

I have the honor to forward, for
favorable consideration, petition from S. Surjau
who was not allowed entrance for the final
examination for the Hospital assistant grade
held last month.

I am of opinion that he erred in ignorance
of the regulation requiring him to have passed
at least the middle school examination.

I enclose copy of extract from this office letter
no 113 dated 7th August 1894 to the President
District Board, Godavari through the
District Board, Kellore by which you will
see that the Board was informed of the
educational list being required prior to

being selected him and sent him here. His having
passed first at the competitive examination held
The Godavari District Board is sufficient
prove that his general education has not been
neglected, and that he could have passed the
Middle School test with ease I have no doubt.

His having been entered in the school Register
and having passed the Middle School examination
could seem to have been due to a misunderstanding
and not intentional.

Under the circumstances, I recommend that as
a special case, he may be permitted to be examined
in October next. The suspense, disappointment
and loss to him will, I consider, have been sufficient
punishment.

Proceedings of the Director of Public Instruction
Dated 1. August
No 8199.

Read letter from the Principal, medical School,
No 104 dated 20.7.1895.

It is not understood whether the misapprehension
referred to by the Superintendent of the Medical
School, Vellore, was on the part of the school
authorities or the student. In any case, the
Director has no power to exempt S. Suryanarayana
from the necessity of passing the requisite
general education test. It is, therefore, ordered
to the Superintendent to apply for the sanction
of Government in the matter forthwith.

Forwarded for information along with Copies
of letter no 300 dated 17.7.1895 and petition
from S. Suryanarayana dated 16th July 1895
referred to.

The misapprehension was on the part of
the student.

As it was the duty of the Godavary Dist
Board to ascertain that the students they
selected to send to the Nellore Medical School
had complied with the requirements of
Government,

The undersigned considers it is the part
of the Board now to appeal to Government
if it considers advisable for fear of S. Suryanarayana
being exempted from passing the requisite
general educational test.

SIR,

In submitting herewith, Copies of

to request that, in the
circumstances explained

dated 1.8.1895.

Director of Public Instruction
Government may be

4 Endorsement no $\frac{313}{6.8.95}$ of the
Superintendent of the medical
School Nellore addressed
to this office.

pleased to exempt the
medical pupil S. Surya
rayana, as a special ca
from passing the General

educational test required, so as to enable him to appear for the examination for the Hospital Assistant Grade to be held in October next.

2 It would appear that a notification was originally published in the District Gazette, at the instance of the District Surgeon, inviting applications from Candidates who had passed either the matriculation or the middle school examination but that, owing to want of passed candidates, the District Surgeon held a sort of Competitive examination himself and then selected Suryanarayana who came out first in the said examination, as one of the stipendiary students.

There is nothing to show that Suryanarayana misled the authorities responsible for his selection into a belief that he possessed the requisite educational qualifications.

3 Suryanarayana has undergone the necessary training in the medical school, Nellore, for the last three years at the cost of the District Board and the Superintendent of the said institution reports that his "conduct, industry and intelligence during the time he was in the medical school were very commendable."

11543: cns 1104/95

4 In view, therefore, of the peculiar circumstances of this case and in view generally of the difficulty of securing passed men in these parts to study for the post of Hospital Assistant, I beg to recommend that Government may be pleased to accord its sanction to the exemption of the said Suryanarayana.

I have the honor to be
