SIR,

In reply to your letter No. 10692 dated 7th November 1894, I have the honour to inform you that in my opinion a Local Fund Board is not at liberty, without the sanction of Government, to alter a State building of which the right of occupancy only has been granted, and that the grant of sanction to such alteration, involving additions or otherwise, does not confer a proprietary right which has not otherwise been conceded.

I have the honour to be,

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

Local & Municipal Dept.
DIRECTOR OF PUBLIC INSTRUCTION,
CURRENT No. 8402
Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

The building occupied by the Board
High school, Tiruvalur, Tanjore
District is Government property lent
to the Local Board under G. O.
Financial, N. P. 1869, dated 13 August
1884. The Taluk Board, Negapatnam
under whose management the school
is, has proposed to enlarge the
building at a cost of Rs 4,280 to
provide increased accommodation
to the school and has, accordingly,
applied for a building grant under

Chapter VII

VII of the Grant-in-Aid Code.

2. I am not sure whether or not the Taluk Board is at liberty to enlarge or modify the building without the sanction of Government, and whether its action would or would not interfere with the claims of Government. I addressed the Chief Engineer, D.D.W. on the subject and his reply - letter N^o. 3641C, dated, 16 November 1894, is submitted herewith. It seems to me that if the Board should close the school before the lapse of twenty years it is entitled to a refund of a portion of the expenditure which may be determined in the manner laid down in Article 5 of Chapter VII of the Grant-in-Aid Code.

3. Should the Government see no objection to the Taluk Board undertaking the enlargement of the building, I have the honour to recommend that a third grant viz Rs 1426 on the estimated cost be sanctioned. The plan and estimate of the work which have been countersigned by the Superintending Engineer are submitted. A portion of the work is reported to have been executed.

4. The grant recommended above, if sanctioned, may be paid in 1895-96 on receipt of the completion certificate. The current year's allotment for building grants has already been exhausted.

I have the honour to be,
Sir,

Your most obedient servant,

The statement of the D.P.I.
that the building occupied by
the Board High School, Tiruvallur,
is the property of Govt does not
appear to be correct. From the
papers printed in G.O. D. the 6th
Feb. 1883, no 405, W, it appears
that the inhabitants of Tiruvallur
Subscribed Rs 1,792 and that the
Nagapattam Taluk Board promised
to contribute the balance required
to make up a moiety of the
estimated cost of the building.
The D.P.I. will therefore be re-
quested to report whether the
Nagapattam Taluk Board made
the promised contribution to-
wards the cost of the building.

In reply to your No. 398 DB 19-5-95, I have the
honor to inform you that on reference
to records, it is observed that a sum of
Rs 9256 was spent by this department
against the estimated amount of Rs 9500
in the years 1883/84 and 1884/85 and that
Rs 1828 only was credited in aid to this
department by the Treasury & Collector
in his No. 3191 12-9-83 by private contributions.
It does not appear that any contribution
was paid by the late Nagapatam Circle
Board although in the Director's letter
enclosed in G.O. No. 405 6-2-83 (copy enclosed)
it is stated that the balance of contri-
bution besides the amount then sub-
scribed - Rs 1792, would be met from
Local Fund Contributions and there
is no record to show that the
amount was paid to this department.

The L. T. Board have to
pay the sum they promised viz
Rs. 2393, which is much below
the real half cost of the building
under the subscription. It should
be inquired who is responsible
for the non-payment of this
money hitherto, & the Langue?
L. T. Board should be called on to
pay it now. The Grant in aid
may be sanctioned.

Shew the Hon. Mr. B. S.

18/9/95

In the first of these
currents the Director of Public Instruc-
tion recommends that a one third building
grant of Rs. 1436 should be sanctioned
in favour of the Taluk Board, Negapatam,
on account of the proposed enlargement
of the Tiruvalur High School buildings.
From the papers printed in G.O. dated
16th February 1883, No. 73, Mis., it appears
that this school house was constructed
upon the definite understanding that the
Negapatam Local Fund Board should con-
tribute a sum of Rs. 2393 which together
with Rs. 1792 subscribed by the inhabi-
tants of Tiruvalur made up a moiety of
the original estimated cost, Rs. 8370.
It has now been ascertained that the
Local Fund Board has never fulfilled its
promise. The building originally in the
possession of Govt. was transferred to
the Local Fund Board by G.O. dated 13th
August 1884, No. 1869, Finl. on the condi-
tion that should the school be closed,
the

the building, apparatus etc should be restored to Govt. or the value refunded. There appears no reason why Govt. should not insist upon the payment of the sum which the L.F. Board neglected to contribute in accordance with its promise in 1883.

If, however, it is decided as an act of grace to forego this claim, it is submitted that such a concession should be accompanied by a refusal to make any grant-in-aid towards the extension now proposed. It is not clear who is responsible for the failure to collect the contribution from the L.F. Board and orders are solicited as to whether enquiry in the matter at this distant date.
